SHORTRIDGE ANNUAL 1950

SHORTRIDGE HIGH SCHOOL
Indianapolis, Indiana

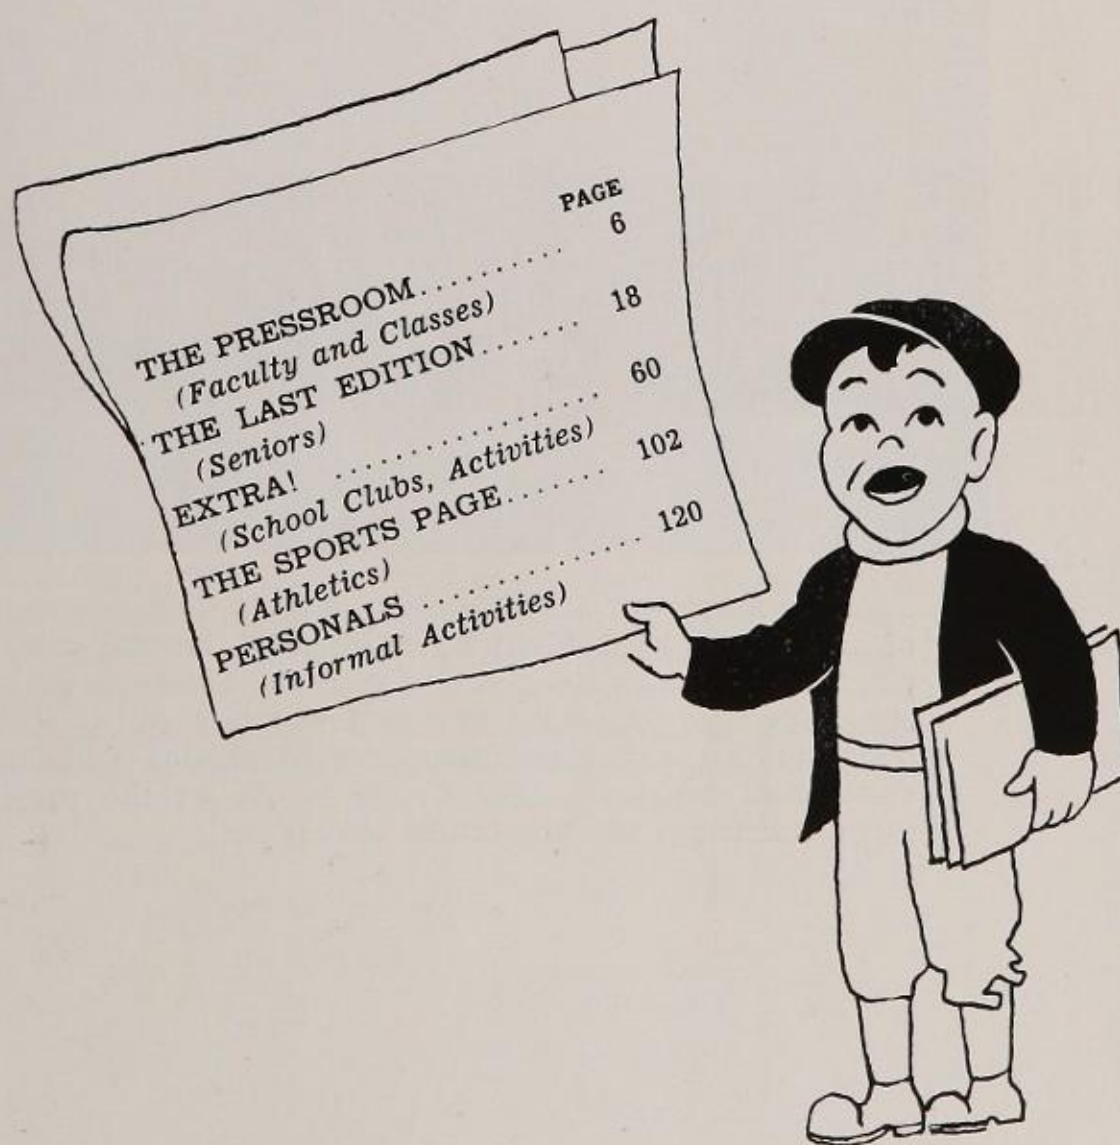

EACH YEAR hundreds of teachers, students, and parents effectively combine their efforts to publish another successful edition in the history of Shortridge High School. With the teamwork, loyalty, and cooperation which is so essential in publishing a newspaper, the sons and daughters of Shortridge work together to print another story of achievement in high school life.

And now the boys and girls who have made the news at Shortridge these last four years are ready to help write a bigger story—in the home, in the community, and in the nation—and inscribe their names in the headlines of tomorrow.

So let us penetrate the walls of Shortridge and watch ourselves, in the classroom, on the athletic field, and outside of school as we unconsciously make the news for another story of a year at 34th Street.

. . . Let The Presses Roll

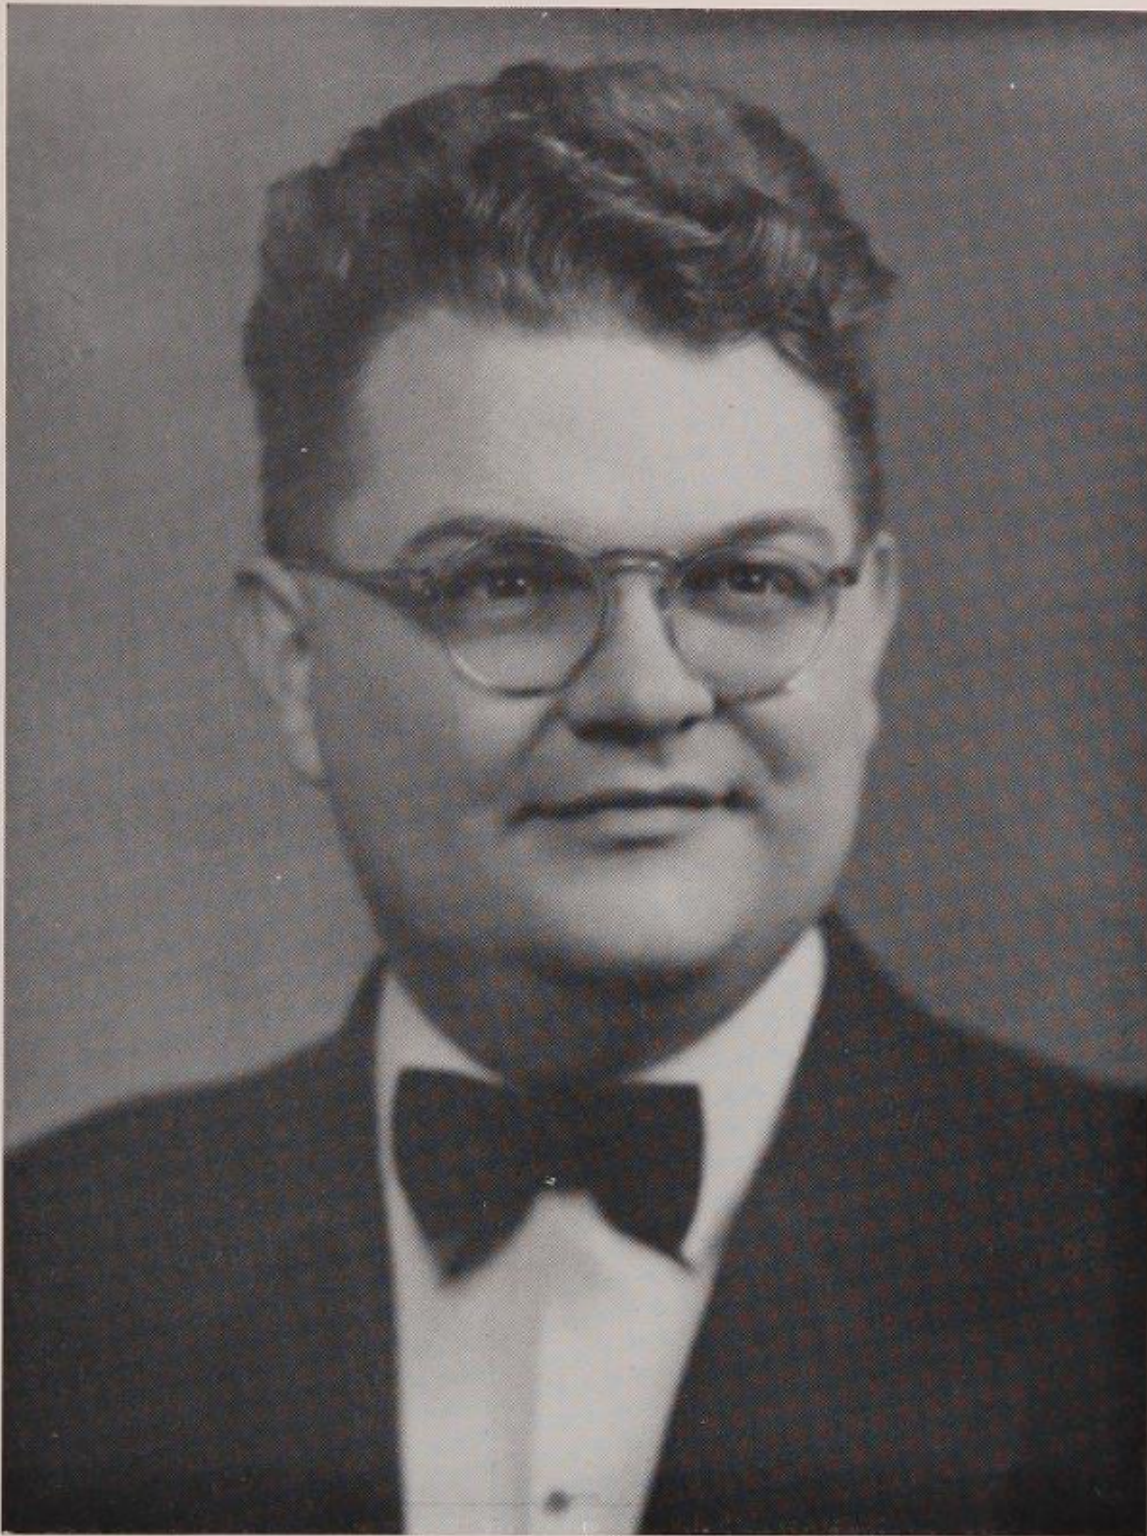

We Dedicate . . .

. . . Our Annual to Miss Jeannette Grubb, a true friend to all of us, and a loyal Shortridger. Besides keeping our school publications among the best and teaching classes in journalism, she finds time to take a sincere interest in all of our many activities. An enthusiastic supporter of all our athletic teams and school functions, Miss Grubb is one of the people who make Shortridge the fine school that it is.

And Commemorate . . .

It is only fitting that we pay tribute to Donald G. Klopp, a man who meant so much to our school and our class. For ten years Mr. Klopp served in the Science Department at Shortridge, teaching Zoology, Physiology, and Botany, until his untimely death last May 30. It was a great shock to the school and the students to realize that this man would be with us no more.

THE PRESSROOM

THE PRESSROOM IS THE HEART OF A NEWSPAPER, AND THE CLASSROOM IS THE HEART OF A SCHOOL. HERE AT SHORTRIDGE THE MANY FUNCTIONS WHICH ARE CARRIED ON ALL REVOLVE AROUND THE CLASSROOM, WHICH IS THE MOST IMPORTANT PHASE OF OUR SCHOOL LIFE.

The Managing Editor . . .

Just as the Managing Editor of a newspaper is responsible for the success of the publication, the principal of a high school is responsible for the success of that school. As you read in this Annual the achievements of our school and our students in the past year, you can see that Joel W. Hadley is an outstanding leader. Here at Shortridge we think of Mr. Hadley not just as a principal, but a friend.

And Assistants . . .

Our vice-principals aid "The Managing Editor" in the complex problems of the school. They are the men who see that we obey our rules and regulations, and get a "fair trial" if we fail to do so. Russell V. Sigler has served in this capacity for three years now, while Robert L. Green is completing his second year with us. Mr. Green previously served at Broad Ripple High School.

Aided By An Efficient Staff . . .

DEAN OF GIRLS . . .

It's hard to find a more hard-working person than Mrs. Hayden around Shortridge. Besides giving first-rate advice to the girls, she sponsors our Student Board and the Girls' League. She not only helps the students, but many parents seek her assistance and cooperation with the child's needs.

GUIDANCE . . .

You will welcome the expert advice that the Guidance Department gives to everyone free for the asking. Our Guidance Department keeps complete records on every student in Shortridge, in order to assist you in making out your program, what college to choose, and what kind of work you would like.

With A Competent Business Force

Plenty Of Experience Must Come In The Classroom Before A Student Makes The "Last Edition" . . .

ENGLISH . . .

Our English Department now teaches English with a touch of democracy. An elected class president presides over each class and a secretary takes the roll. All this is to teach the students our democratic ways while they study Chaucer or Steinbeck. Interesting? You bet! It stimulates the students to do their work better.

Besides the regular English curriculum a student can branch out into the fields of Public Speaking, Debate, Journalism, Dramatics, and Business English. Many extracurricular activities are sponsored by the department along these lines, such as the Echo, Fiction Club, Radio Workshop, and Dramatics clubs.

*Upper—Freshmen begin grammar study.
Lower—Comp. class holds panel discussion.*

LIBRARY . . .

Shakespeare? Emerson? Our library has these and many more in its twenty thousand have to hunt all the way to volumes. Here, a pupil doesn't China to find a book; an assistant librarian will help him. Mrs. Cavanagh, our librarian, takes great pride in one of the finest high school libraries in the country.

Right—Shakespeare draws some smiles.

HISTORY . . .

In the land of milk and honey,
In the central west,
There we have our hist'ry section
Ranked among the best.

And our History Department really is tops. It not only teaches in the class room, but takes many field trips to show the students, first-hand, the machinery of our government and economic life.

This year the History classes used a new plan of study, as each room was equipped with its own books, tables, and study facilities. A mock election of state officers was held to acquaint the students with the voting machine, and each History pupil cast his ballot on the machine.

Upper right—Government class hears pupils' views.

Lower right—Mr. Negley gives term papers the "once-over."

MATH . . .

How high is our flagpole? How large is our campus? These are just a few of the projects our Math Department carries out every year in its classes. No, a student doesn't climb the flagpole or measure the length of the campus. It's all done with a transit. Besides these things, our Math students place high in the Math Contests at I. U. every year.

The Math Department offers a wide range of instruction, with many different courses and the best of equipment for them. Instruments for surveying and computation of measurements are among the fine equipment in this department.

Upper left—Sophomores learn the fundamentals of geometry.

Lower left—"Multiply the following quantities."

SCIENCE . . .

Why is turquoise blue? Ask our Science Department! They discovered why, for the first time in history, in a Chem IV class. If you want to know what makes grass green or atom bombs so destructive, call on the Science Department for aid.

There is, however, a Psychology course offered by this department, and we were the first city school to institute such a course in our curriculum. Of course the usual Science courses are taught, and with the best and latest of equipment. These courses include Biology, Botany, Physiology, Zoology, Modern Geography, Geology, Chemistry and Physics.

COMMERCE . . .

Credit for working? Impossible! No, it's true you can get credit in the Commerce Department for working outside school. The Commerce Department is one of the most practical departments in Shortridge. No one should graduate without taking Typing; it is indispensable in college and everyday life. Our Commerce Department truly prepares a student for the business world.

Upper—A new world is revealed through the microscope

Middle—"A bird in the hand . . ."

Lower—"Take a letter . . ."

LANGUAGE . . .

Parlez-vous francais? Sprechen sie Deutsch? With the world shrinking every day, we need more and more to be able to speak other peoples' languages and understand their cultures. Students in French can correspond with children in France. Our Language Department is one of the few departments in the country that offers Greek to its pupils.

It often brings noted speakers to talk to the students in its department on the merits of language in the world today. Four-year courses in French, German, Latin, and Spanish are offered by this department. In addition to the scholastic work, the language office sponsors popular school clubs in which the students who study in those fields can participate.

Upper Right—Caesar made interesting

Lower Right—German students admire their display

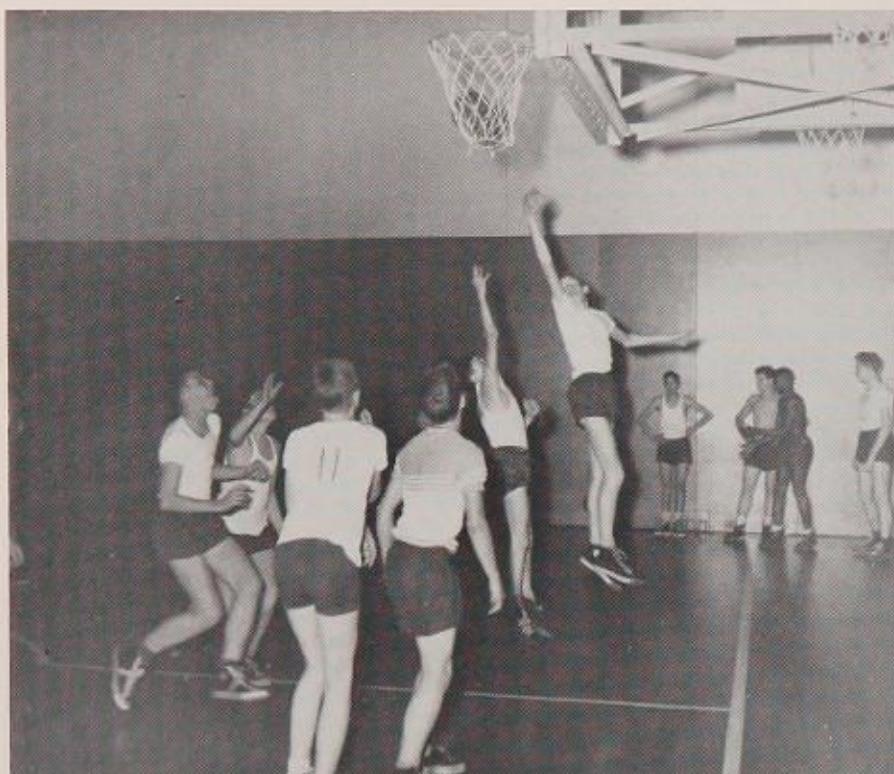

Left—Talented hands at work

Below—Actual demonstration by Mr. Johnson

ART . . .

Has anyone noticed the south corridor on the third floor? Why, of course, it's the Selleck Art Gallery. Art students display their paintings and pencil sketches here for all Shortridge to see. Our Art Department enters many contests and brings away honors in all. Pupils become very adept at using their hands in all kinds of handicraft.

Stars in the making!

PHYSICAL EDUCATION . . .

Oooooo! Ow! Whew! What a workout! Am I tired! Besides making us ache all over, the Physical Education Department trains us in many other ways: discipline, muscle coordination, and many games. The boys stretch and strain in basketball, baseball, football, and wrestling, while the girls strive and sweat in dancing and rhythm exercises.

This year the gym office rented towels to all the boys, and gave everyone extra time to take a shower. Students get a well-rounded program from their athletic instructors, combining feats of skill, exercises, and games.

"A stitch in time . . ."

Girls' gym class toes the mark.

HOME ECONOMICS . . .

Girls make good wives . . . but they won't make really good ones until they have studied home economics. Our Home Economics Department teaches girls to go easy on their husbands' pocketbooks as well as their stomachs by teaching them to make their own clothing and prepare delightful, delicious, and delectable dinners.

The halls on the second floor are often filled with the aroma from the cooking classes which are whipping up a new batch of candy. If you walk by some of the Home Ec rooms you can see the girls cutting out patterns and preparing themselves for their future lives.

Future homemakers get acquainted with pots and pans.

CAFETERIA . . .

Watch out for the stampede! Is the building on fire? No, they're just hurrying to get into the lunch lines. Our lunch period is our favorite, because we get such really good food. Mrs. Lichtenwalter certainly does a swell job in preparing such wholesome and palatable food.

HEALTH . . .

Feeling low? Got a headache? Or maybe a broken bone? Then our nurse, Miss Moran, can help you. At the infirmary you can find a place to rest and have competent attention. Everyone knows the fine service Miss Moran performs; she gives each student an examination every year.

BOOKSTORE . . .

Gee, that class ring's pretty! You say you got it at our bookstore? Besides handling our class jewelry, they sell us our textbooks, which we could not possibly do without. Our bookstore sells everything from football tickets to typewriters. Mr. Hobbs really does a great job.

And Class Of '50 Writes It's Story

On October 31, 1949, the newly elected class officers presided over their first meeting of the Senior Class of 1950. The successful candidates for office were John Lauter, president; Diane Fisbeck, vice-president; Sally Green, secretary; Bailey Hughes, treasurer. Dan Wakefield, Annual editor, had been elected the previous April. The Senior Council, made up of representatives from the senior home rooms, was, together with the officers, the governing body of the class.

The Colors committee chose black and blue for the class ribbons and distributed them during the Senior Class meeting.

The Christmas party was held on December 17 and the toys brought as tickets of admission were sent to children's organizations in Indianapolis. Mr. Green played Santa Claus and handed out appropriate gifts to various seniors.

The senior play, "Star Dust," was presented in Caleb Mills Hall on May 26 under the able direction of Dorthea Craft Bertorelli.

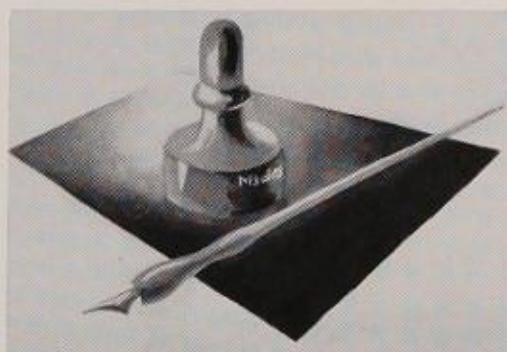

Class Day was held on June 1. The Class Day officers were Susie Watt, prophet; Dee Heinlein, historian; Don Morris, willmaker; Dick Lugar, giftorian. The last day of school for graduating seniors was June 1. Vesper services were held Sunday, June 4, in Caleb Mills Hall.

Graduation exercises in caps and gowns were held for the seniors of the class of 1950 on June 7 at the Coliseum.

Respectfully submitted,

SALLY GREEN,

Secretary, Senior Class of 1950

On September 30, 1948, the Class of 1950 began their activities by electing the junior officers. The successful candidates were Bob Gilchrist, president; Patty Ball, vice-president; Lucinda Rohm, secretary; Norman Klein, treasurer; Nancy Lewis, vaudeville chairman; and Shirley Swanson, vaudeville program editor.

The annual Junior Vaudeville was presented on February 3, 4, and 5. "Mexicuba," "Grin and Bear It" and "Best of 48" received winning honors.

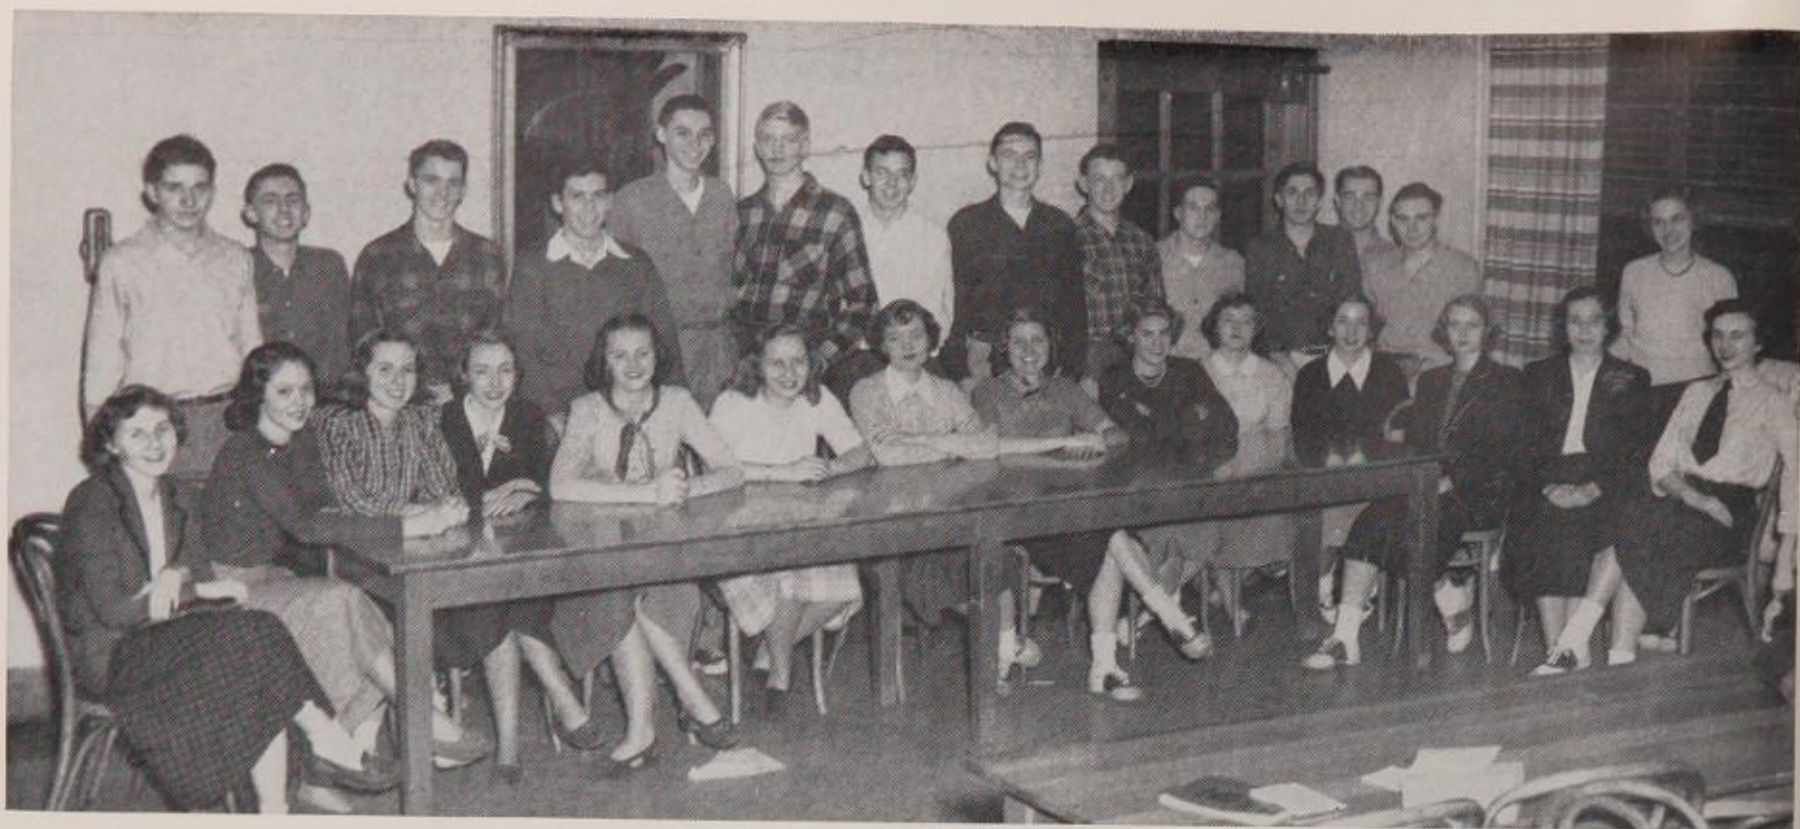

The Junior Prom was held May 6, at the Indiana Roof. Diana Fisbeck was elected Junior Prom Queen from a field of twelve candidates. Betty Allen and John Lauter were co-chairmen of the Prom committee and they received the very able support which the class sponsors, Mrs. Nell Merrick Thomas and Walter C. Geisler, gave to everything the class did.

The election of Dan Wakefield as Annual editor brought the many successful activities of the Junior class to a close.

Respectfully submitted,

Lucinda Rohm

Secretary, Junior Class of 1950

SENIOR COUNCIL . . .

One function of the Senior Class was to elect three girls and three boys from each of the four senior homerooms to serve on the Senior Council. This council is composed of the five senior officers and 24 homeroom representatives. The council has charge of class projects, decides class policies, chooses the Annual dedicatee, and serves in many various capacities as the governing body of the class.

SENIOR SPONSORS . . .

Whenever the class of 1950 looks back on the memories of their senior year they will remember the help and interest given them by their sponsors. Miss Dorothy Peterson is the person who arranges all the senior activities, sponsors the Senior Council, and is the "woman behind the scenes" in the big events of the class year. Miss Mona Jane Wilson is the financial adviser of the class, and helps the class in all the many money matters it must undertake.

Miss Wilson and Miss Peterson talk over "big events" of the senior year.

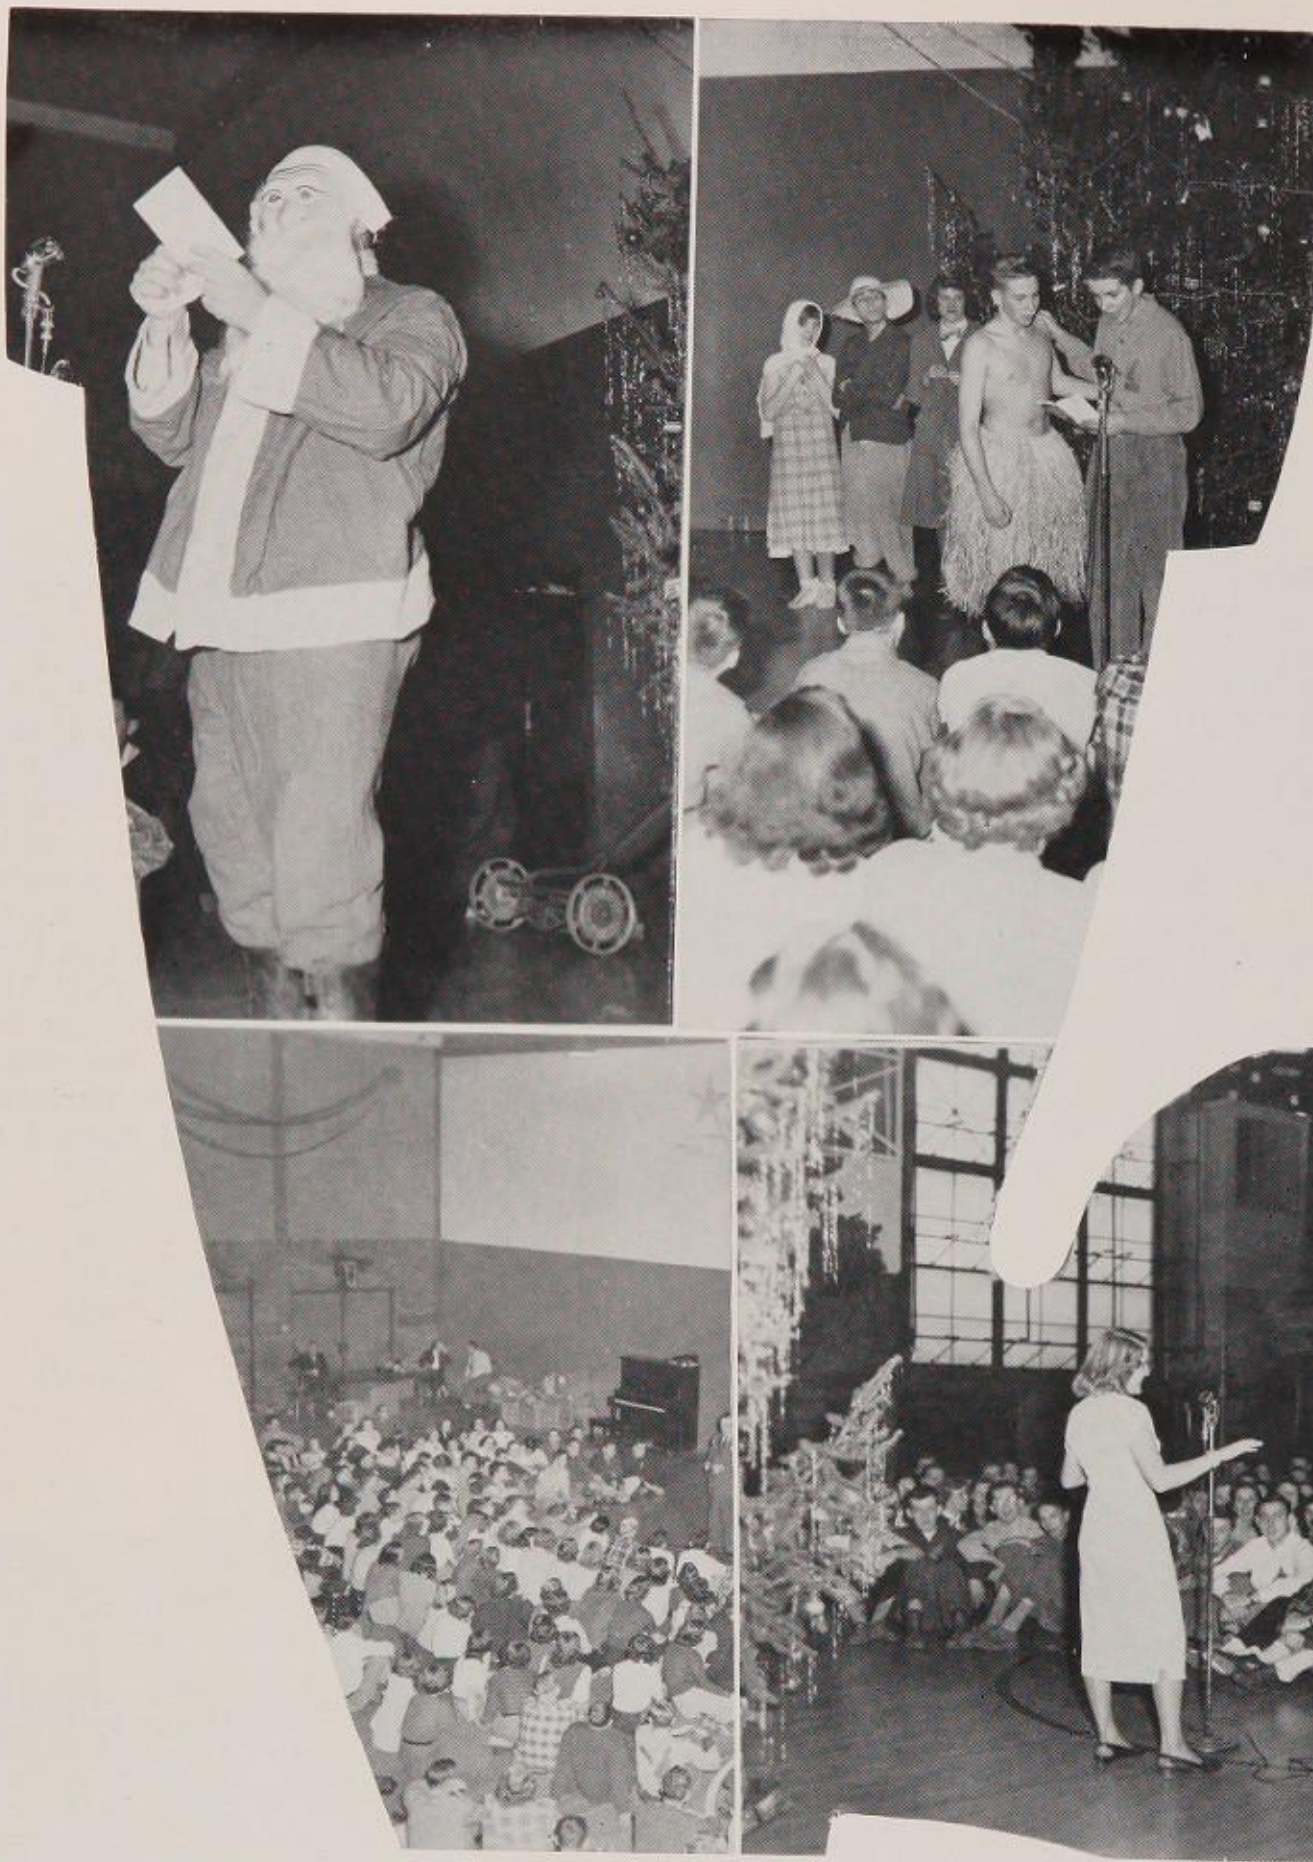

Class Day Adds "Amusement Section"

To Our Last Edition

What's all the excitement? It's Class Day! The seniors held their last big meeting in Caleb Mills Hall, and the special Class Day officers presided. Dee Heinlein, the class historian, read the glorious history of the class of 1950. Dee brought back to mind all the important events of our four years at Shortridge. Don Morris, willmaker, read our class will, leaving the talents and possessions of the seniors to the underclassmen. Susie Watt looked into the old crystal ball to perform her job as prophet, and foretold our futures. Dick Lugar handed out gifts to the class members, as his part in the program. After these exercises in the auditorium the seniors held a Coke hour and Annual signing session in the cafeteria.

Senior Christmas Party . . .

It was a week before Christmas vacation that the seniors had their annual party. As has been the tradition each senior brought a toy as his admission ticket.

The entertainment was provided for them by a group of persons each representing a different country. These interesting specimens posing as humans each told some Christmas traditions of his own country. The group concluded by singing "Jingle Bells" together in their native tongues.

In addition is the unusual skit, Chuckles Chapman flew in to give the class some of his latest laughs.

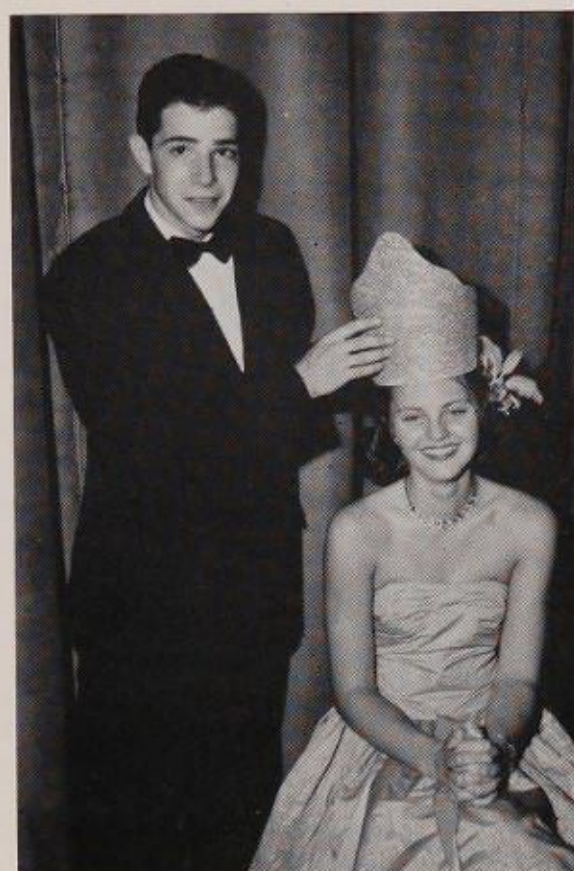

Santa Claus, played by Mr. Green, came on the scene to give presents to the good little senior boys and girls.

Last but not least was the food, plenty of it and good too! Miss Peterson told the Senior Council that this was the most successful Senior Christmas party she had ever seen.

MISS JANE MESSICK HAS WORK DISPLAYED IN HOOSIER SALON

Miss Jane Messick of the Shortridge art faculty is represented in the 26th annual Hoosier Salon now in progress in the William H. Block Company auditorium. Her entry, "Museum Pieces," is a large water color still life.

It is an honor to have work exhibited in this show, according to Charles Yeager, head of the Shortridge art department, since the jury chose only 182 pieces, including sculpture, for exhibit out of more than 700 entries.

Clifton Wheeler, a former Shortridge teacher, and Gene Lacy and Constance Forsythe, Shortridge alumni, also are represented in the show.

The exhibit continues through February 11 and is open to the public.

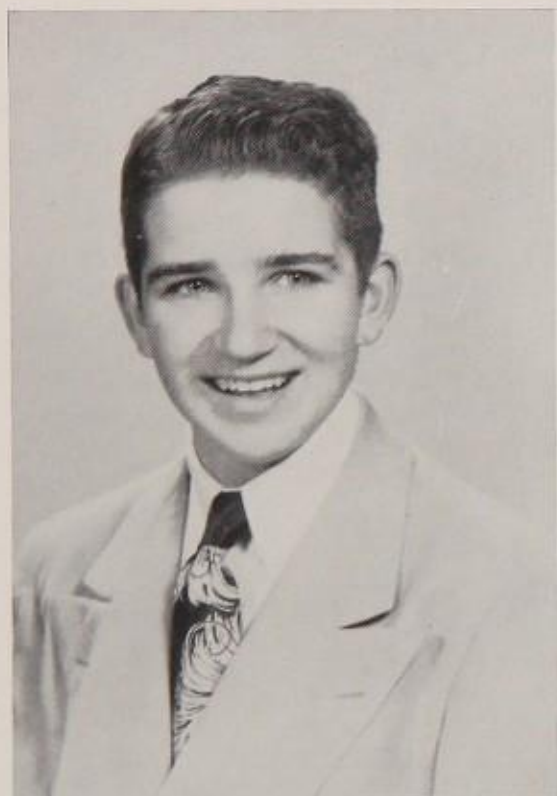

Shortridge Grads Named to Butler School Paper

A number of Shortridge grads have been named on the various staffs of the Butler Collegian, student daily newspaper.

Marjean McKay, Larry Stuart, and Betty Ann Lewis have been appointed members of the editorial writing staff.

John Walsh is local business manager, Alice Robertson, classified advertising director, and James Buck, assistant sports editor. Annabelle Church and Carla Stout are on the sales staff, and Miss Church is also an assistant to the society and feature editors.

"Copy Boys". . . Annual Staff

*Dan Wakefield,
Annual Editor*

'Way back last summer Danny started the careful planning and blueprinting of the rough draft for the 1950 Annual. By fall when his assistants were chosen the book was well under way. The first job was scheduling senior pictures with Mr. Loudermilk, the photographer. At the rate of one nearly every ten minutes the chums were ready to be exchanged by the end of November. Janet Brucker and John Finley were responsible for seeing that every senior received his allotted sitting time at the studio. The successful Annual campaign was completed by November 15, with Business Manager Pete Estabrook handling the finances. The senior liners were compiled, interpreted and typed by Alice Gerlach, Barbara Babcock, Virginia Douglass and Shirley Swanson. The literary staff, Bob Deitch and Karen Martinson, were responsible for the writeups of the departments and the special events. All athletic events were covered by the sports staff—Max Schumacher, Pete Estabrook, Otto Feucht and Lois Walker. The club and group pictures were ably handled by Mary Ann Smith and Mary Gianakos, who scheduled the photographs with each group and wrote the accompanying stories to each club. The art work, including cover design and cartoon work, was handled by Patsy Patton. Danny worked with the staff, the engraver, photographers, and printers in tying the knot of completion.

Thursday Staff—Dottie DeWolf, Barbara Smith, Nanci Browning, Richard Lugar, Margaret Noble, Marilyn Slaughter, Mary Horner, Bob Supple, Carolyn Kellum, Natalie O'Dell, Mary Finke, Pat Marchino, Jim Johnson, Jim Stotts.

Since its beginning as a daily paper fifty-two years ago, the purpose of the Shortridge Daily Echo has been to acquaint the students and followers of Shortridge with current news of school activities. Each daily issue has its own staff of writers, who receive assignments and write copy for editors to copyread and prepare for publication. Most popular features of the paper are the who's who stories, the personal columns, and the sports section. In addition to the general news staffs an advertising staff draws and writes copy for many of the big downtown department stores. Also a circulation staff delivers the daily issues to the homerooms where in turn they are distributed by the Echo agents. Printing and publishing a newspaper calls for finances, so for this job there is a business manager. He and his staff see that Echo subscriptions are paid and check all other financial matters. The Daily Echo is the pride of Shortridge.

Friday Staff—Standing—Jerry Williamson, Jack Sogard, Otto Feucht, Nancy Drew, Carol West, Dan Wakefield, Marilyn Holtman, Lucinda Rohm, Phil Landman. Seated—Nancy Blough, Mary Ann Smith, Jane Wyman, Ginger Clark, Edna Mae Bellenbach, Marilyn Lewis, Janet Brucker, Diana Fisbeck, Mary Gianakos.

"Extra Edition" . . .

CHRISTMAS ECHO . . .

One of the special editions of the Echo is the Christmas edition. After the editor, Suzanne Berry, was appointed, the Christmas poem contest was announced in English classes, and the winners for the cover design contest were judged, the Christmas Echo was on its way. This holiday edition included stories and poems written by students, letters from Santa Claus, yuletide greetings from Mr. Hadley, and other special features.

CORRESPONDENCE . . .

Practical reporting experience with Indianapolis' "big three" newspapers while still in school and getting paid for it is the opportunity that awaits the students enrolled in journalistic correspondence. Besides writing for The Times, Star, News, and Northside Topics, our correspondents are indispensable in keeping the Daily Echo humming out Shortridge "scoops."

ADVERTISING . . .

The distribution and business work of the Echo is carried out by the advertising staff. Also included in this staff are the writers of the Echo ads for the downtown department stores.

Upper—Suzanne Berry, editor.

Middle—Max Schumacher, Dick Lugar, Otto Feucht, Suzanne Berry, Marilyn Lewis, Phil Landman.

Lower—Rosemary Long, Pat Stewart, Carole Sundling, Janet Ludy, Diana Fiskebeck, Cynny Pittenger, Nancy Sweetman, Judy Tetrick, Evelyn Stillerman, Don Jeffries, Burke Whitaker, Dan Wakefield, Joe Commiskey.

Coach Gale praises the champs

Auditoriums . . .

We'll not soon forget the fine auditorium programs of the past year. Who can forget the thrill of our "victory rally" as we paid tribute to the 1949 city football champs? The cheering and enthusiasm of the students, and the introductions of the boys by Mr. Gale made that one of our most spirited sessions. The excellent message delivered to us on our Thanksgiving Day program by Dr. Pierce, and the inspiring talk of Dr. Hunter were appreciated by

everyone. The traditional Christmas auditorium, presented this year by our Music Department remains as a happy memory of the holiday season. The crazy antics of the Bluebelle-Uglyman candidates as they impersonated radio characters will be remembered as one of the most entertaining sessions in Caleb Mills Hall. Then came the sectionals, and Mr. Steiner introduced his team in the pep auditorium for basketball. These, perhaps, were the highlights of a fine year of activities in the big hall.

Shortridgers Make The Headlines. . .

Throughout the past year many Shortridgers have made outstanding achievements in various fields, and brought honor to themselves and the school. The people pictured here are but a few of the many 34th Street students who have proved themselves as real "Headliners." This group, perhaps, is representative of the many varied fields in which so many Shortridge students excel.

FOOTBALL . . .

Bill Ralph, one of the finest athletes in Shortridge history, gained the highest honor of his career as he was named as a starting end on the Indianapolis Times' All-State Football team. Ralph earned his third varsity letter in football this year, and was voted as the "Most Valuable Player" on the Satan squad by his teammates. This versatile athlete also earned three letters in basketball, in which he holds the school scoring record, and three letters in baseball.

SCIENCE . . .

Tao Yuan Chen, senior science student, won the Outstanding Science Award at the meeting of the Indiana Junior Academy of Science held at Wabash College last November. Tao's award came on the merit of past record in scientific achievement plus the experiment he entered in the contest. His experiment was a demonstration and paper on "What Will the Frog Heart Do?" a study of the effects of various drugs on a frog's heart.

In Many Various Fields

GOLF . . .

Pete Burkholder, talented young links star, was the medalist in the Indiana State High School Golf Meet in 1949, and led Shortridge to its first state championship. Pete notched a 73 on the course to cop top honors, and helped the Shortridge quartet to its record-breaking foursome total of 314 strokes. This was a new low, surpassing the old mark of 317 strokes shot by Lafayette in 1932. Burkholder won a major letter in the tee sport, and was back this year to pace the current squad.

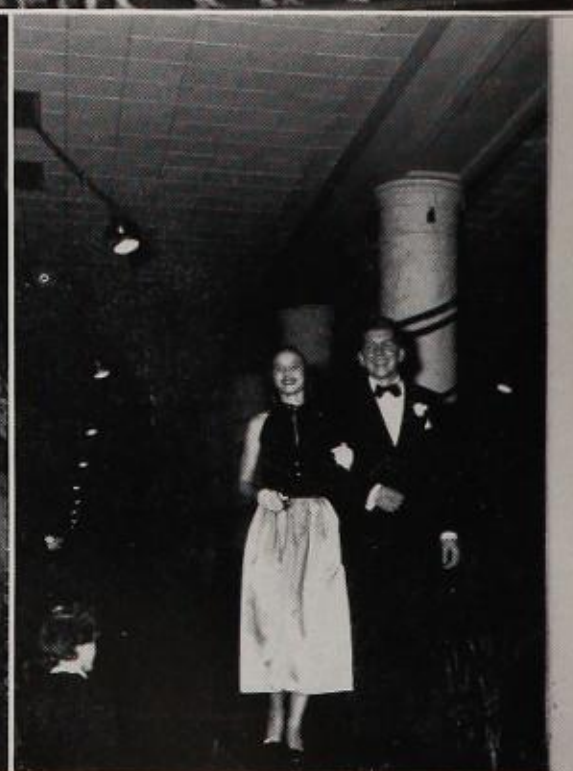

SPEECH . . .

Dick Lugar, outstanding Shortridge debater and speaker, won the Marion County "Voice of Democracy" contest sponsored by the Indianapolis Junior Chamber of Commerce. Dick also was the Shortridge winner of the Civil Rights Essay contest sponsored by B'nai B'rith. Last year Dick was a regular member of the debating team that went undefeated to win the Indiana High School Debate championship.

"Comics" . . . The Family Frolic

December 2 was the date for the annual family fun night. From eight to eighty the crowds turned out to hear the German Band in the International Casino, to have their fortunes told by wandering gypsies, to buy cakes and candy, white elephants, hot dogs and cokes. The style show attracted many interested visitors. The game room and hobby exhibitions were musts on everyone's list. The question of the evening was "Have you cast your vote

for Frolic Queen?" Yes, a queen was elected from four girls, nominated by senior homeroom students to reign over the festival. The highlight of the auditorium show, which included a variety of songs, stunts and dances, was the crowning of the lovely queen, Mary Ann Smith. The other candidates were Patty Ball, Rosalyn Izor, and Nancy Lewis. When the clock finally struck twelve, the frolickers went home to wait another happy time next year.

JUNIOR VAUDEVILLE

MICKY MEAD
Vaudeville Chairman

Mars on a rocket ship in the first act, "Out of This World." The next act, "That Infernal Woman," finds us in a opposite situation for it takes place in Hades where the feminine devils are plotting to overthrow the Devil. Marilyn Holtman and Cynny Pittenger were cochairmen with Carolyn Myers as junior sponsor. "Naughty Nineties" with its daring beach apparel, revealing feminine unmentionables, and other fashions of the day had Nanci Browning and Barbara Smith as cochairmen. Two young boys join the Navy to see the sea besides their visits to Norway, Scotland, Holland, and scenic Virginia. This is the theme of Pete Burkholder and Marigold Leete's act, "Naviganza." To the rhythm of jazz and black face, the drums of Lee Lacy, the horn of Dick Albershardt, and the keys of Mary Ellen Burton, Nancy

The 1950 Vaudeville was really "Out of This World" when "That Infernal Woman," "Naviganza," who was in her "Naughty Nineties" saw "Show Boat" "Down in New Orleans." Yes, the annual Shortridge song and dance production was under way with a matinee debut on February 1, and three evening performances the following nights.

It was Anne Ransdall and Jane Johnson who took a trip to heaven, the moon, and

Lewis and Bill Blackburn headed the fifth act, "Down in New Orleans." Here we saw the southland at its best with the old-time dances, the can-can and the cake walk. An anniversary was the theme of Ronald Kovener and Mary Alice Jackson's act, "Show Boat." It featured "something old, something new, something borrowed, and something blue."

The break between acts was ably carried out by such artists as vocalist Jerry Williamson and caricature cartoonist Paula Boyer. A Frankenstein pantomime, "The Monster," was given by Ben Lawrence, Charles Epstein, and Irwin Becker. Robin Powell and Kitty Ferriday put on an intermission magician act.

The Vaudeville dance Saturday night at the Riviera Club was the finale of three nights of exhausting effort for all members of cast, sponsors, and crew. Here Vaudeville chairman Micky Mead revealed the places for the acts and individual performers for each night.

Thanks for such a successful Vaudeville go to Robert Shultz and his stage crew, Mrs. Nell Merrick Thomas, junior sponsor; Don Knight, tickets; and the act sponsors Eugene Hilliker, Miss Mona Jane Wilson, Mrs. Mary Treichler, Miss Margaret Montgomery, Bryant K. Millikan, Mrs. Margaret Farmer, and Mrs. Helen Smith.

Thursday night "Naughty Nineties" took first and "Naviganza" was second. The judging was reversed on Friday with "Naviganza" on top and "Naughty Nineties" following. The final performance was judged with "Naviganza" in first, and "Out of This World" tying "Show Boat" for second.

Individual honors were also awarded. On Thursday night Sally Babcock was named outstanding girl performer and Robin Powell was designated as the best boy. Friday saw Nancy Lewis and Bill Blackburn, cochairmen of Act V, getting the top honors for best girl and boy star. On Saturday, Marigold Leete was selected for first place in the female division and Jerry Williamson was chosen for a similar honor among the boys.

"A New Feature Story". . . The Radio Room

The Shortridge Radio Studio located in rooms 344 and 343 will be an important addition to the school. The studio will consist of broadcast and spectator studios, a control room, and an office. It will be furnished with the latest equipment including a fifty-watt transmitter which may be installed during the summer of 1950. The English department will arrange the programs and the Physics department

will be in charge of all technical matters.

The studio will be of great value to pupils interested in any phase of radio broadcasting work. One of the first functions of the studio will be to record the efforts of the Speech students so that they may hear how they sound to other people.

The studio was completed in the spring of 1950 with regular classes scheduled next fall.

R. O. T. C. . .

The R.O.T.C. unit at Shortridge has participated as the color guard at football and basketball games and have ushered for many other SHS activities. They also have the responsibility of raising and lowering the flag every morning and afternoon. They have marched in patriotic parades and fired in many national and local rifle matches. Those matches have been the 5th Army Rifle Match, the William Randolph Hearst Rifle Match, and the city match in which they placed second.

One of the many advantages of the Junior R.O.T.C. is that three years taken in a secondary school is equivalent to one year of senior R.O.T.C. Two years of Senior R.O.T.C. is required at every land grant college so that three years at Shortridge would only mean taking a required one year at a state land grant school.

The sponsors of the R.O.T.C. unit are M-Sgt. Albert C. Fischer and Sgt. Michael Bayer.

“Advertisers” . . . Debate

May, 1949 . . . Shortridge Debaters Win State Championship. . . This team, Bob Lichtenauer and Dick Lugar, affirmative; Walter Wolf and Dan Nyhart, negative, were the first in Indiana debating history to take the championship by winning all eight of their contests. This triumph made the third state title for Shortridge.

Since the debating championship has never been won by one school in two consecutive years, the 1950 team has a challenge to be another “first” in Indiana debating history.

The 1950 team consists of Alan Weber and Dick Lugar, affirmative; Joseph Commiskey and Bob Brunner, negative.

The national question to be debated by all high schools is Resolved: That the President of the United States should be elected by the direct vote of the people. This question was debated with Speedway to contest the regional championship. Next stop was Manchester College and the play-off where the eight regional winners battled for the state title.

In the debate and discussion classroom, current issues are debated in order that the students might become more familiar with the procedures of organized debate. Such problems

as Socialized Medicine, the St. Lawrence Seaway, and Shall Congress Override the Supreme Court Decision by Two-thirds Vote were topics on which the debaters used their skill of persuasion and argumentation.

The defending state champions opened their campaign on a victorious note, ousting Speedway and earning a ticket to the state finals. Their defense of the crown, however, was unsuccessful as they captured three of their eight debates. At the same time Hammond Clark was chalking up seven victories in its eight contests to cop the state title. The Satan affirmative team of Lugar and Weber captured two of their four matches, while the negative squad of Brunner and Commiskey garnered but a single win in their four tries. This left the Blues with a season record of four won, five lost.

From the varsity squad, Lugar, Commiskey, and Brunner will be graduated in June, leaving sophomore Alan Weber to remain as the nucleus for next year's squad. Other senior debaters who tried out for the team are Phil Landman, Art Baxter, and Bill Gant.

C. C. Shoemaker, who has brought three state debate crowns to Shortridge will be back to coach the 1951 squad.

RADIO WORKSHOP . . .

The Radio Workshop proved to be very active this year, with one of the largest enrollments of any school club. The group held a Thanksgiving party, featuring an original quiz show and refreshments. They were taken on a tour of the new station WISH studios by one of the announcers for that station. Sid Collins of station WIBC spoke to the Workshop on different types of radio work and auditions.

Perhaps the highlight of their eventful year was a radio program that they produced and played in over WISH. It was a short skit on safety for teenagers.

Officers were Sanford Schwartz, president, and Don Jeffries, secretary-treasurer. Mrs. Eula Vos is sponsor.

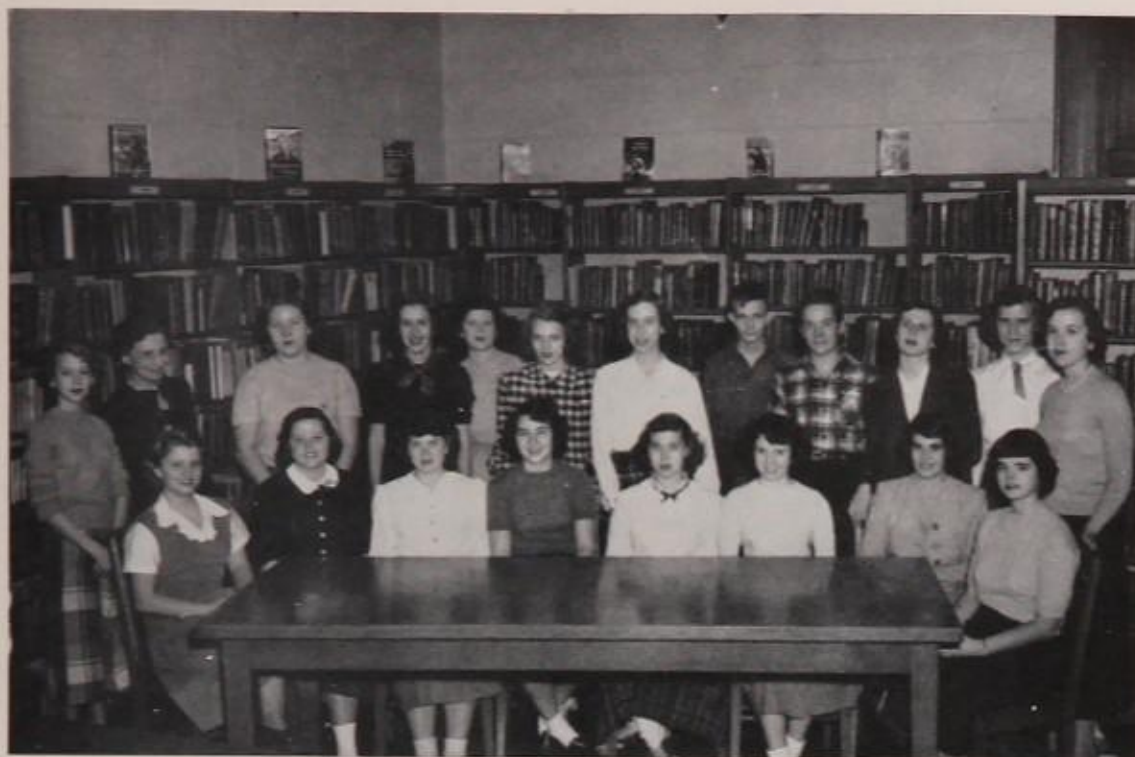

CHEM CLUB . . .

Certainly the Chem Club doesn't lag in its popularity. Tao Chen, one of the foremost members, received honor and praises this year for his original experiment. The Junior Academy of Science, which sponsors the Westinghouse Talent Search, can claim the Chem Club as a charter member. At the meetings held every other week, the participants present and discuss their own experiments, hear talks by authorities, or take trips, both local and out of town.

Mrs. Henrietta Parker and William Johnson join in the group's entertainment. This year's officers are Sue Schaffner, president; Bob Epperson, vice-president; Mary Garstang, secretary; and Bob Jewell, treasurer.

THE LIBRARY CLUB . . .

All those who enter the library are sure to see a few assistants who so capably help Mrs. Esther Cavanagh and Mrs. Jean Jackson, for at least one period during the day. These students not only learn the "ways" of the library, but they also have the exclusive right to belong to their own club—The Library Club. Halloween, Christmas, and Valentine parties only supplement the good times they have at each meeting.

Judy Hanna heads the club this year. Kitty Schell is the vice-president; Claire Redding serves as scrapbook keeper; David Morgan is secretary-treasurer.

Second row—Jackie Robbins, Mrs. Esther Cavanagh, Beverly Frisk, Dee Meeker, Mrs. Jean Jackson, Mary Ann Hilligoss, Dorothy Jeffries, David Hughes, Arnold Brock, Nancy Sweetman, Jane Woolridge, Doris Lytle. F.T.A. . . .

Those new to Shortridge or foreign to the way around school have found themselves helped by the corridor hostesses, the newest project of the Future Teachers of America. At each period during the day various FTA members are assigned to three strategic spots on the first floor—to welcome guests and generally do what they can for people entering the school. At their meetings, the members have heard speakers, or presented a panel discussion among themselves. During Christmas time they made favors for Riley Hospital. Sponsored by Mrs. Grace Vitz, the Future Teachers of America promotes quite an interest in teaching.

Ann DeVaney led the group this year, assisted by Ann Freeman, vice-president; Ginny Kingsbury, secretary; Vivian Schilling, treasurer; Henrietta Rosenberg, librarian; and Mary Copeland, historian.

THESPIAN CLUB . . .

The Thespians, or "Theekspians" (so-called after their director, Miss Eleanor Dee Theek) are a group who participate in plays, contests, and different programs for members. Their work seems like play to all those who enjoy their productions. To become eligible for Thespian membership, ten points have to be earned by dramatic participation. When these are earned, the aspirant is taken into the group at an annual spring initiation.

This year's officers are Doris Lytle, president; Nancy Rickley, vice-president; Patty Bates, secretary; Margie Shepard, treasurer; Joannie Hansen, historian.

Joan Abell, Bob Grubbs, Alan Vogelhut, Dave Morgan, Howard Rice, Mr. Shull, Bob Sparks, Joe Hubbell, Bill Bowman, Ray Hawkins, Bill Mace.

STAMP CLUB . . .

The members of the Stamp Club certainly improved their knowledge of their hobby this year, as many various stamps of value and interest were shown to them. Sponsor Arthur G. Shull displayed many valuable stamps to his proteges, and instructed them on how to recognize these stamps. Some of the members displayed their collections at the Hobby Fair. The club combined with the Library Club in holding a Christmas party December 20 in the library.

Alan Vogelhut served as president, Roger Childs was vice-president, Joan Abell took the secretarial duties, and Bob Sparks handled the treasurer's job.

THE FICTION CLUB . . .

Entrance into the Fiction Club requires forethought—and literary talent. Students in English IV or above who have held an A average in English may, through invitation, submit stories for membership in the club. The former Fiction Club members with their sponsor, Miss Ruth Armstrong, choose the best and most originally written stories, and the authors are notified. Fiction clubbers also write stories for the Christmas Echo.

It's not all "write, write, write," though. Throughout the year different members act as hosts for combined party-meetings. They have their own song and their own pin too. The silver and black shield, a real honor, stands for work and accomplishment (and a lot of good times).

This year the reigning ones are Don Millholland, president; Kitty Schell, vice-president; Ginger Clark, secretary; Dick Lugar, treasurer.

Second row—Sharon Holwerda, Jim Rubins, Jim Haramy, Buzz Farmer, Pete Fillion, Robert Shane, Carolyn Myers, Edna May Ingles, Lois Bock, Nancy Aabye. First row—Kenny Ziebell, Bob Epperson, Don Millholland, Marigold Leete, Jane Peek, Ginger Clark, Mary Bloemker, Janie Stamm, Miss Armstrong.

HOME EC CLUB . . .

Discussions, tours, and service projects were the main activities of the Home Ec Club in the past year. A panel discussion was held on the topic "What do you think is desirable in a date." At Christmas the girls made stuffed toys for an orphanage, and delivered them. Later in the year they made a tour of Ayres' department store.

Ambor Squires is president, Jean Tomchak, vice-president; Henrietta Rosenberg, secretary; Jo Anne Dillman, treasurer. Mrs. Ruth Arney and Miss Dorothy Carson are sponsors.

DISCUSSION CLUB . . .

Students who have a real interest in current affairs have a chance to "talk it over" at the Discussion Club meetings. Mrs. Madge Temperley supervises these informal after-school talks. In addition to hearing well-informed speakers and expressing their own views, the members enter the discussion contest at Indiana University each spring. They have done quite well in it, too.

Numerous subjects, both local and worldly, are on the agenda during the year, and the participants are always able to contribute in an adequate discussion. Officers include Charles Allen, president; Bob Deitch, vice-president; and Henrietta Rosenberg, secretary.

JUNIOR RED CROSS . . .

Since Shortridge is a member of the Marion County Board of the Red Cross, it has the opportunity to further international interest through numerous projects. For the senior chapter the members have placed at least sixty publicity posters on Indianapolis' north side. In addition to corresponding with foreign countries through albums, the Junior Red Cross has sponsored hospital entertainment, sent gift boxes and pictures from the Art Department overseas, and sponsored their annual enrollment drive. Mrs. Cena Morgan sponsors the organization, and membership is voluntary. Karen Martinson is president; George Bangs, vice-president; and Carolyn Braman, treasurer.

Second row—Charles Allen, Charles Sofnas, Dick Lugar, Bob Deitch, Ed Heinke. First row—Rosemary Long, Henrietta Rosenberg, Susie Maschmeyer, Ginny Kingsbury, Eleanor Morrison, Mrs. Temperley.

THE SADDLE CLUB . . .

The Saddle Club, in its second year at Shortridge, has proved quite successful. Anyone who enjoys horsemanship is eligible to belong, so it certainly is not hard to see that the members have fun discussing and hearing about their common interest. This year they have had the privilege of visiting different stables and horse shows. Also they have heard talks by people who own and breed horses, ride in the shows, and even shoe the horses. The members don't ride as a club, but often get together to go riding in their spare time. Mrs. Hope Nevitt and Bryant K. Millikan are the able sponsors. Officers this year include Connie Jenkins, president; and Jane Knight, secretary-treasurer.

HI-PI CLUB . . .

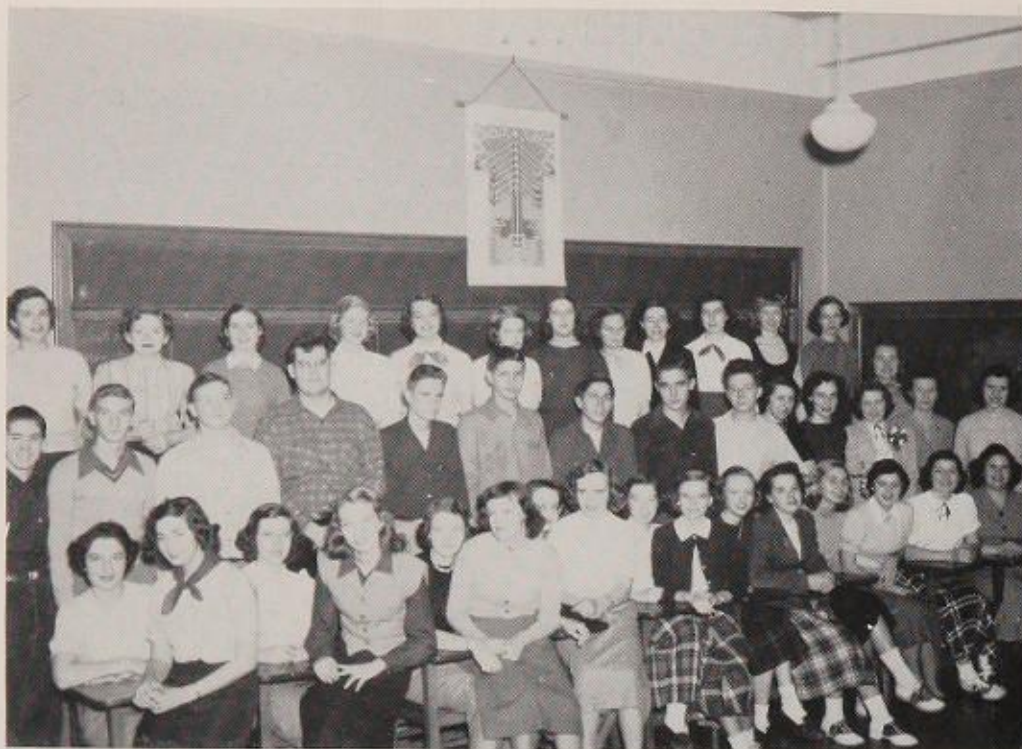

Students from 9B and 9A classes who are interested in mathematics constitute the Hi-Pi Club. Organized last year, the members further this interest by having guest speakers, working puzzles, and other types of math recreations. At Christmas time they had a lot of fun at their Christmas party, which included everything from food to magic. The Hi-Pis elect officers each semester. During the fall semester Sandy McNally reigned as president, and in the spring term Roger Childs took over the head office. Miss Ellen Ocker sponsors this group as ably as she does the Math Club.

THE MATH CLUB . . .

Miss Ellen Ocker, Math Club sponsor, sees that the members have a lighter approach to mathematics than they have in the classroom. Each member, who has gained membership by a winning essay on math, enjoys the intricacies of the subject frequently elaborated upon by speakers. In addition to their classroom meetings, the Math Clubbers have a Christmas party and a spring picnic.

Those presiding the first semester were Lois Simon, president; Elizabeth Warner, vice-president; Janie Woods, secretary; and Edna Mae Bellenbach, treasurer.

Second semester officers were Carolyn McClurg, president; Judy Coryell, vice-president; Marilyn Bertsch, secretary; and John Rumpel, treasurer.

FOOTLIGHTS CLUB . . .

Footlights members can well be called Junior Thespians. The club is composed of freshman and sophomore students, who work to gain enough points to belong to the Thespians. Organized last year under the sponsorship of Miss Eleanor Dee Theek, the Footlighters have their own entertainment in monologues, plays, skits and other drama in which they are interested. Also, they give performances for organizations outside Shortridge. Diane DeArmond is president, Virginia Megorden is vice-president, Suzanne McLaughlin is secretary, and Carolyn Kellum, treasurer.

STUDENT BOARD . . .

In order to develop school spirit, this year the Student Board arranged for an all-school Football Dance in the fall, the Blue Devil Drag for basketball season, and encouraged attendance at all games and other school events.

To support the extracurricular program the Board urged the adoption of a shortened scheduled for club days and arranged for a special auditorium at which charters were presented to the officers of all school clubs.

A campaign to encourage safe driving among teenagers was one of the most important projects of the year. As usual the Bluebelle-Uglyman Dance and election were successfully carried out.

The members of the Student Board are representatives of the student body, for they are elected by their classmates in homeroom. Each Freshman, Sophomore, and Junior homeroom selects one representative, while each senior homeroom chooses four representatives, and these delegates compose the board. The Student Board is the governing council of the school, where the pupils may have a voice in school issues and problems. It is the purpose of the board to promote the best interest of the school, and keep Shortridge among the best.

This year Marilyn Holtman served her second term as president, having led the group during her junior year as well.

PAN AMERICAN CLUB . . .

Having guest speakers and singers comprised quite a few of the Pan American Club meetings this year. Movies of the South American countries also provided entertainment for the students who have expressed their interest in Spanish by joining the Pan American Club. Miss Ruth Lewman saw to it that the members not only increased their knowledge of Spanish, but also had various parties. Marilyn Prince headed the club this year; Mary Garstang was chosen vice-president; Patricia Kent, secretary; and Barbara Ludwig, treasurer.

THE HISTORY CLUB . . .

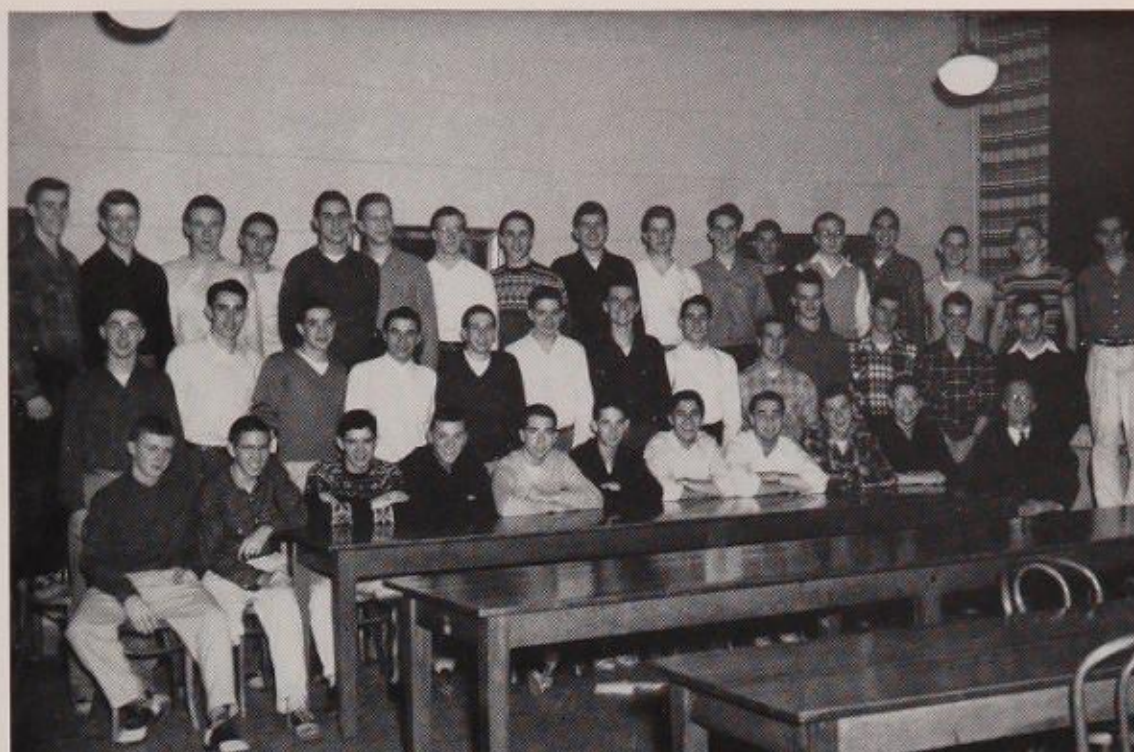

Students who profess an interest in history and are present or ex-members in that subject are eligible to belong to the History Club. In addition to uncovering interesting topics of history not usually discussed in the classroom, the members have their own holiday festivities. They hear speakers and see movies under the guidance of Mrs. Danna Huffman.

THE SENATE . . .

The Senate members pride themselves in belonging to the oldest club at Shortridge. It is now sixty-two years old. To an outsider the Senate meetings might sound a bit confusing, for each senator addresses his fellow members in the name of a current national senator. They debate and vote on bills which they themselves draw up. Aside from creating an interest in current events, oratory, and parliamentary procedure, they have their share of fun. Mrs. Annalee Miller is sponsor of the organization.

New officers are elected each six weeks.

THE KEY CLUB . . .

The Key Clubbers, or Junior Kiwanians, consisted this year of forty-eight members. Out of that number there are twenty-four seniors, sixteen juniors, and eight sophomores. Joel W. Hadley, principal, sponsors the organization and recommends the boys for membership, who are then voted on by the group. Dick Lugar is president; Bud Wilson, vice-president; Tom Evans, secretary; and Tom Lugar, treasurer.

A Key Club booklet was written by Dick Lugar about the Shortridge 1949 football champs. Many of the members ushered at the world premiere of "Johnny Holliday." Other activities consisted of a father-and-son dinner, a barn dance, a trip by some representatives to the national Junior Kiwanis convention, a buffet dinner for parents and faculty, and their sponsorship of a Spring Sport auditorium.

The round pin with the "K" is quite an honor among the boys at Shortridge.

JUNIOR S.P.Q.R. . . .

Latin and Caesar students are eligible for membership in the Junior S.P.Q.R. and, from the size of the meetings, it looks as if almost all of them belong. Miss Emily Dodson sponsors the group. Songs and readings in Latin are presented at the meetings, and the members are further acquainted with the classics. Parties are also included on their agenda. Officers are Roger Childs, princeps; Joy Northrop, pro-princeps; Barbara Hill, scriba; and Dick Gilbert, quaestor.

SENIOR S.P.Q.R. . . .

The Senior S.P.Q.R. has in its membership students in Virgil and Cicero classes. This year Mrs. Josephine Bliss sponsored the group in the absence of Mrs. Elizabeth Helm. A scrapbook has always been kept, and each year the members endeavor to help a worthy organization. The meetings consist of special programs and quite a few parties. Each year the group visits a number of places which will inform them further in their interests. They also like to hear addresses by different art speakers.

Barbara Crow is president. She is assisted by Patsy Patton, vice-president; Barbara Walker, secretary; and Ginger Clark, treasurer.

PHILATERON CLUB . . .

The Philateron Club is made up of girls who have earned at least 250 athletic points. The girls earn these points by participation in sports after school. These sports include soccer, bowling, basketball, deck tennis, volleyball, track, and softball. Points are also earned for swimming. The chairmen of these various sports are chosen from the club at the beginning of each school year. Members of the club also pass out programs for our football and basketball games. This year for the first time the members are wearing pins which they selected at a meeting in the fall. New members are initiated at an annual party in the spring.

The girls arranged, packed, and sent packages to a German orphanage at Christmas, and received a letter of appreciation. The organization also held a Christmas party, at which each member brought a small gift for a home of elderly ladies. These and many other service projects were successfully carried out by the members.

GIRLS' BOWLING LEAGUE . . .

The Girls' Bowling League gives its members a chance to learn bowling at the 34th Street bowling alley. The girls form teams in addition to perfecting their own "touches" of the sport. Sharon Holwerda, chairman, keeps track of the number of points each girl earns, and these points are used toward Philateron membership. This form of intramural competition is under the sponsorship of Miss Alice Jane Hessler.

Esther Siegman, Sue Clegg, Rita Schmidt, Janet Clark, Joan Abell, Sharon Holwerda, Mary Hagopian.

GIRLS' LEAGUE . . .

The Girls' League acts as a clearing-house for the ideas of the girls through their elected representative (one from each home room). The organization helps girls to become aware of the opportunities offered to them by the school and encourages service through such projects as a newcomers' tea each semester, the nomination and election of girls for ROTC honor guards, sponsorship of a spring auditorium for girls, a joint project (with the Student Board) of decorating Shortridge at Christmas time, and the collection and banking of Junior Red Cross contributions.

Mrs. Eugenia Hayden sponsors this group which extends its purpose in executing activities of interest to girls. Officers are Barbara Babcock, president; Pat Lewis, vice-president; Marjorie Tarkington, recording secretary; Judy Brown, corresponding secretary; and Janeice Hannon, treasurer.

Shortridge's new students are entertained once a semester under the auspices of True Blue girls.

BLUE BLADES CLUB . . .

"Out to the Coliseum," was the cry of the members of the newly formed skating group, the Blue Blades. This organization is composed of students interested in skating, and gives all Shortridgers a chance to ice skate for reduced rates every Monday from 3:15-5:15 at the Coliseum. Many Shortridge pupils from every class participated in the skating activities and parties held by the club.

Members are quite active in their German welfare work and correspondence, and they have a spring tea for their mothers. Family Frolic time, too, affords them pleasure, for they sponsor the International Casino.

This year the officers are Jane Knight, president; Alexander McNally, vice-president; Doris Kahn, secretary; and John Shonle, treasurer.

MUSIC . . .

Boom! Ta Ra Boom! It's our Short-ridge Band marching down the football field at half time. Remember our Alma Mater and the Pep Song at those games while we stood yelling out the words? Mr. Shultz also leads our band in many of our auditorium programs. Our band marches in the Armistice Day, Flag Day, and Memorial Day parades, and carries away top honors in all.

Our orchestra, directed by Mr. Wise, plays at many of the programs presented in Caleb Mills Hall. Our orchestra often gives programs of superb music.

Besides the band and the orchestra, we have a girls' and a boys' glee club and a chorus under the direction of Mrs. Moag and Mrs. Clippinger. These groups often prepare programs for outside organizations.

Freshmen try their athletic skill.

For the Freshmen, the past year was a year of new friends, new discoveries, and new interests. They quickly learned their way around the school and fit into the many activities and experiences offered here. Through several Coke hours sponsored by the Student Board, they became acquainted with their class-

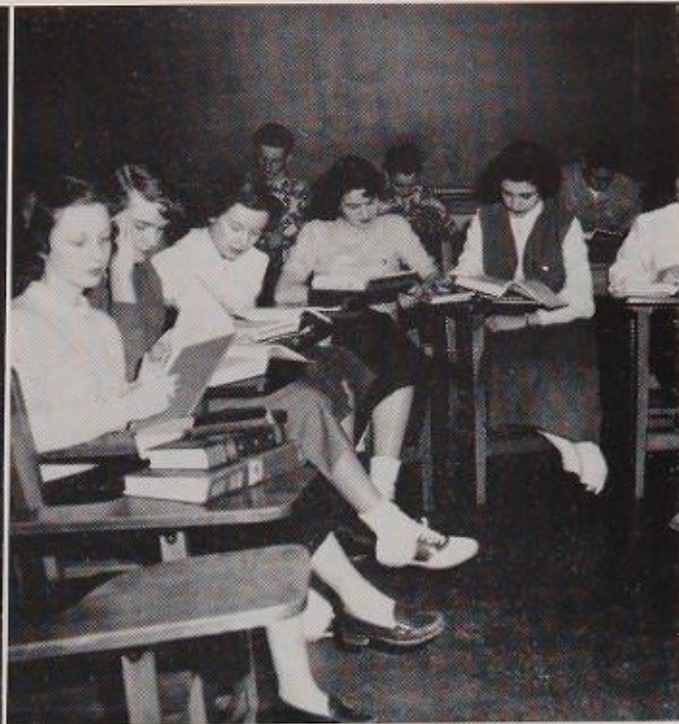

mates, and made new friends. They developed class spirit as they played together on the athletic field and cheered their friends on to victory from the stands. It was a big year for the Frosh, who have just begun to experience the rich learning and the happy times ahead at Shortridge High School.

"Hey, Freshie"—It was their turn to yell it now—the "mighty" Sophomores. They had finally stepped out of that first green year and were now a regular part of school life. They furthered their activities of the past year, turning out for the ball games,

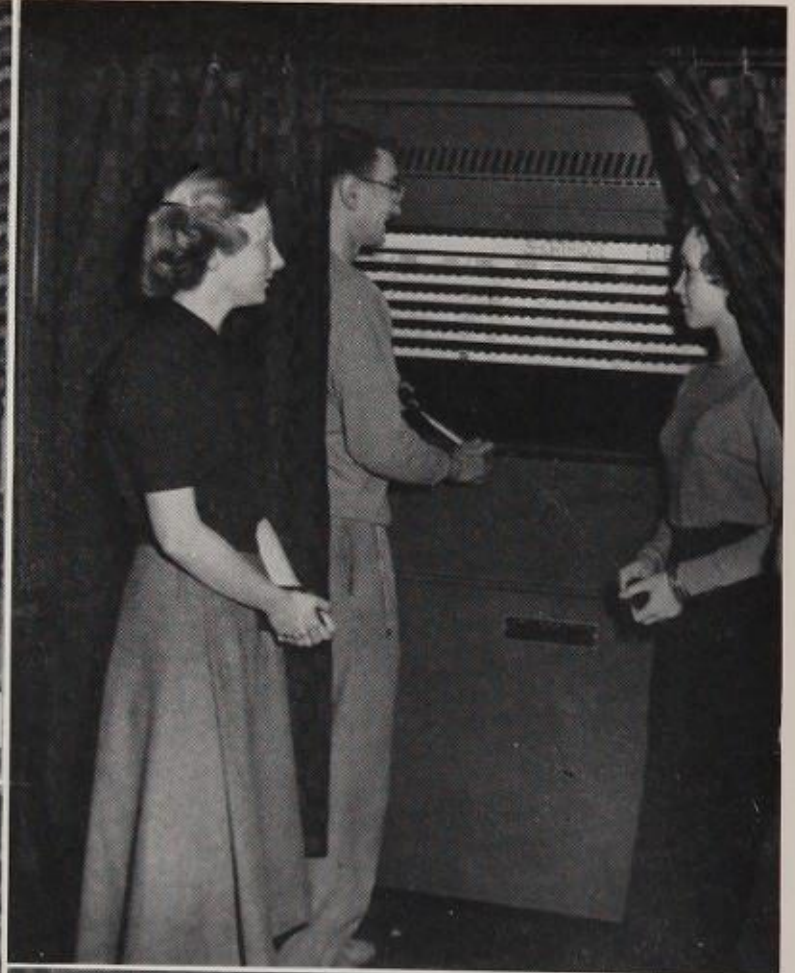

participating in reserve and varsity sports, and entering into such important school functions as the Junior Vaudeville. Now they were ready to come back next fall and organize themselves as a real class for the first time.

Thrills and excitement filled the bill for the junior year of the class of '51. They started things out with a bang by electing their officers on the voting machine, and chose Ward Walker, president; Joanie Burns, vice-president; Beverly Lewis, secretary; Bill Arbaugh, treasurer; Micky Mead, Vaudeville chair-

man; and Sue Ziegler, program editor. These boys and girls led their friends through their first year as upperclassmen and the many activities this brought. The Junior Vaudeville, the Junior Prom, class meetings, and many other affairs highlighted their year.

That last wonderful year—our senior year, was certainly one we'll never forget. We reached the peak of activity, entering into all kinds of activities and at the same time working to keep our grades high for college entrance. We carried on the traditional senior functions and instituted some of our

own. At the Family Frolic we executed one of the most successful projects as we solicited votes for a queen to be chosen from four girls previously selected by their home rooms. These activities were a fitting climax to four fine years for the Class of 1950.

John Lauter, with third down and 10 yards to go, faded to pass on his own 38-yard line. His accurate pass nestled into the arms of Bill Ralph on the Tech 26 and the big boy rocketed the sideline and dived into the end zone after being tripped by Tech 5. This was the only play—the only one in Shortridge's 6-0 victory over Tech on the east side gridiron. The Blue Devils' eleventh city lead over Tech to 15 won, 12 losses, and 1 tie, a record which began in 1920.

After just failing to recover the ball on the ensuing kick-off, Shortridge was pushed back to their 9-yard line from the Tech 47 in five plays. The largest gain was a pass from Russ Meadors to Myron Moriarity, good for 30 yards. Two plays later the Green had bucked to the 1. Two downs for

1 yard, but Dick Christy and Rufus Marks were the key men in two great defensive plays which turned the ball over to Shortridge at this point. Marks' punt, against the wind, only made it to the SHS 25 and Tech again was breathing down the Devils' necks, but Shortridge again stiffened and took the ball on downs at the 4. Marks again punted on first down to the SHS 48. Tech fired 3 incomplete passes just before the half ended.

Paced by Meadors and Gil Bierman, Tech moved to the Satan 11 (Continued on page two)

Gridders Win City Title . . .

Shortridge captured its eleventh undisputed city title with an unblemished city record of six wins and no losses. In out of city action the Blue Devils romped over Crawfordsville and Anderson, but dropped their only game of the season to Withrow, 14-7, in Cincinnati. It was the second city championship in four years of coaching for George N. Gale.

Only thirteen points were scored on the Blue Devils in the six city encounters and Washington's point after touchdown was the only point recorded through the Satan line. Crispus Attucks scored on a long pass in addition to Washington's touchdown which was also by air. Cathedral, Manual, Broad Ripple, and Tech left the field with a zero on the scoreboard.

SHORTRIDGE 46 CRAWFORDSVILLE 21

Shortridge journeyed to Crawfordsville for their season opener and scored in every quarter to bury the Athenians under a 46-21 score. Rufus Marks scored three times for the Devils on runs of 55, 11, and 27 yards. John Lauter passed to Bill Ralph for two touchdowns and Norman Klein for one. Bob Gilchrist dashed 70 yards for the other touchdown.

SHORTRIDGE 32 CRISPUS ATTUCKS 6

Bill Ralph had a field day, scoring 25 points on four touchdowns and an extra point, as he led Shortridge to its first city win. John Lauter passed to Ralph 28 and 9 yards, respectively, and Lauter himself scored from 3 yards out after Ward Walker had intercepted a Tiger aerial on the Attucks 37 and returned it to the 3. Ralph ran 6 yards with an intercepted pass before scooping up a punt, blocked by Tom Perine on the 25 and going the distance.

SHORTRIDGE 7 WITHROW 14

Withrow of Cincinnati dealt Shortridge its only loss of the season at Hoover Field. Dick Ernst circled left end with less than a minute to play to break a 7-7 tie and give Withrow the game. Rufus Marks bucked 1 yard for the Shortridge touchdown and then passed to Ralph for the extra point.

SHORTRIDGE 6 CATHEDRAL 0

The Blue Devils got back into the win column with a hard-fought 6-0 victory over Cathedral's Irish. Bob Gilchrist hit right guard from the 7 for the game's only touchdown. The victory was a costly one as tackle Tom Perine was lost for the balance of the season with a hip dislocation.

WASHINGTON 7

After scoring early in the game Shortridge could not score again until the last period. Rufus Marks plunged 3 yards for the first Devil touchdown, but after the ensuing kickoff Mike Purichia passed to Elmer Lowrey who ran for the score, and Lowrey fell on a fumble for the extra point. John Lauter sliced through the left side of the line for the winning points. Ward Walker passed to Ralph and Gilchrist for the extra points.

SHORTRIDGE 26

ANDERSON 0

Anderson was the lull before the storm, the storm being the three final city games. John Lauter, Norman Klein, Bill Ralph, and hard-running Dick Clifton all crossed the double stripe in an easy victory played on the Broad Ripple field. Ward Walker passed to Ralph and Lauter for the P.A.T.s.

SHORTRIDGE 18

MANUAL 0

Dick Falender pounced on a fumble on Manual's 48 and on the first play from scrimmage John Lauter passed to Bill Ralph for 6 points. Lauter circled left end for the next touchdown and Bob Gilchrist dashed 81 yards for the final score.

SHORTRIDGE 6

BROAD RIPPLE 0

After missing a golden scoring opportunity in the first quarter, Shortridge came back to push over the needed points in the third and then held on for dear life to record their fifth straight city victory. Bob Gilchrist swivel-hipped his way 19 yards around right end after taking a lateral from Ward Walker.

SHORTRIDGE 6

TECH 0

Shortridge took the field against Tech as a definite underdog but the experts didn't reckon with the fighting hearts of Coach George Gale and his lads. A second period pass from John Lauter, who threw from his 38, to Bill Ralph on the 26 hung the winning points on the scoreboard for Shortridge.

Reserves . . .

The Shortridge Reserve gridders enjoyed a successful season, chalking up four victories, two ties, and a single loss. Coach Bob King's charges bowled over four straight opponents before tying Southport and Ripple and dropping a one-point heartbreaker to Tech. Bob Bruce led the scoring with 49 points as he crossed enemy goal lines a total of eight times and once on a PAT try.

Freshmen . . .

Tom Woods' freshman team suffered an early season loss to Cathedral and then bounced back to sweep through the remainder of their schedule undefeated, winning five games. Roland Passwater, high-scoring halfback, was named the most valuable player for the Imps and received the James A. Davis trophy in recognition of his ability. Passwater accumulated five touchdowns and five extra points for 35 markers.

Trophy Winners, Lettermen, Managers . . .

The city football champs voted on trophy winners at the banquet which closed the football season. Bill Ralph was presented the Frank J. Skinner award for most valuable player. The William C. Burnett "Toughman" trophy was awarded to Rufus Marks. Dick Clifton and Forrest von Foerster were named the Most Improved Back and Most Improved Lineman, respectively, and were given the William and Lewis Skinner trophy. Bob Gilchrist was awarded the Sportsmanship trophy, and Tom Perine was elected Honorary Captain for the squad. The James A. Davis Freshman trophy went to Roland Passwater.

The Letterman's Club, composed of boys who have won their varsity monograms, serves in many capacities for the good of the school, and annually gives a scholarship to one of its members.

How about a rubdown? Where's a towel? These are familiar sounds to managers of the athletic teams. They are the boys who are so valuable to the coaches in taking charge of the equipment and performing many of the unpublicized tasks which must be done before the teams can perform. These "men behind the scenes" are an important factor in school athletics.

1949-1950 Cagers Have Winning Season . . .

First row—Bruce, Jinks, Shoemaker, Mercer, Eiler. Second row—Coach Steiner, Sexson, Axline, Supple, Ralph, King, Balch, Manager Gallagher.

Due to the loss of Bill Ralph during the middle of the season the basketball team went through the first part of the year with a losing record. But when Bill returned, the Satans quickly went to work and won eight of their last nine games, ending the campaign with an 11-9 reading. Although the won-lost ledger suffered during Ralph's scholastic exile, the players gained valuable experience. Two tall boys, Jack Axline and Dick Supple, learned to clear the rebounds in fine style, while diminutive Ken Eiler developed an accurate set-shot. Ward Sexson and Ward Walker, two juniors, were also gaining valuable experience, and when the big boy returned, the Devils became a well-balanced club and a real threat.

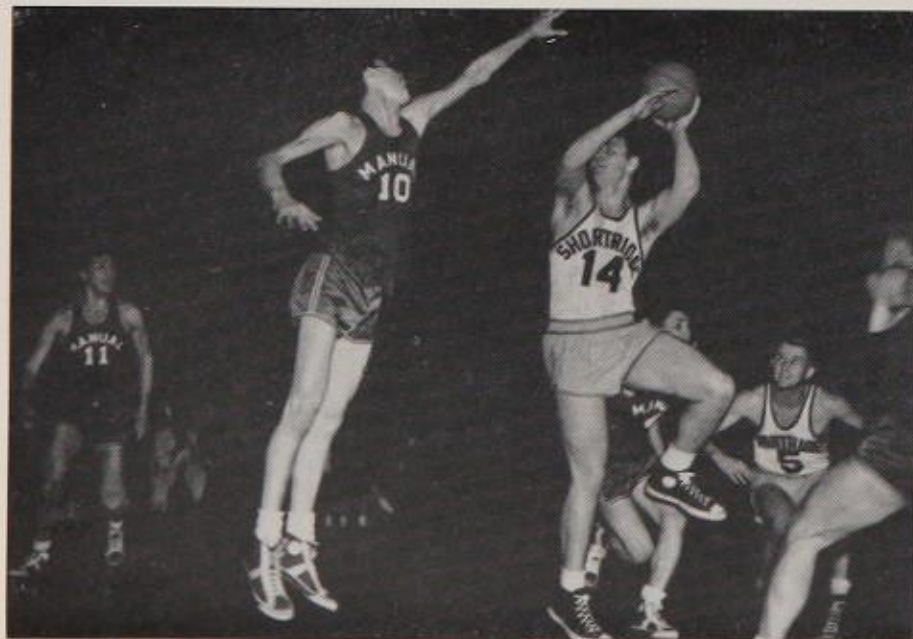

The Steinermen opened against Greenfield, and dropped a close 36-33 tilt to the Tigers. Next week the home boys rolled over Noblesville, and then defeated St. Mary's of Anderson. Southport and Ft. Wayne South Side smothered the small Blue team, but during the Holiday Tourney at Howe, the 34th

Street cagers shaded Ft. Wayne Central, 41-37, as Eiler led the way. In the night game a potent Ft. Wayne North Side crew felled the Blues, and plunged them into a mid-season slump to the tune of a dismal four-game losing streak.

With the return of Ralph, the Blues walloped Howe, as Bill notched 16 points and Supple broke away for 18. The next four were taken by the Demons with Ralph, Supple and Eiler leading the way, until they were edged by powerful Tech, 34-30. In the first sectional tilt Shortridge looked impressive in coming from behind to smother Sacred Heart, 52-38. Unfortunately, however, a determined Howe team ousted the Satans in the second round, 48-41.

In three years at Shortridge Ralph established a new scoring record. Although playing in only 13 games he poured in 228 points for a brilliant 17.5 average. His three-year record was 703 points for a 13.3 game average.

Big Bill looks for points.

RESERVES . . .

The Satan Reserve net squad had an up and down season, winning eight and losing nine. This was partly due to the fact that some of the top B-squad performers were often seeing varsity action only. Bob Bruce, Jim King, Jim Jinks, Charles Shoemaker, Don Hunter, Bob Stallwood, and Walter Mercer were among those who gained the most varsity experience through the season. Bruce, Jinks, and Shoemaker dressed with the big squad for the sectionals. The Kingmen enjoyed their biggest victory string early in the season as they annexed five of their first eight contests.

FRESHMEN . . .

The freshman basketeters enjoyed a winning season, copping their first six successive games before bowing to Broad Ripple. Tom Woods, head coach, turned over the coaching reins to Alan "Buzz" Levinson in midseason, in order to devote full time to his physical education duties. Levinson, a former Shortridge court ace himself, guided the rhinies through the remainder of the season. The usual starting lineup consisted of Roland Passwater and Nick Manolios at forward, Don Dixon at center, and Dick Hall and Larry Stallwood at guard.

New Coach Leads Thinlies Through 1950 Season. . .

First row—Coach Aberson, Manager Barnes, Rettig, T. Lugar, D. Lugar, Dailey, Klein, Wilson, Hughes, Gould, Huesmann, Gilchrist, Pattison, Smith, Cook, Shriner, Coach Knight. Second row—Manager Brayton, Hudson, Merritt, Blades, Hill, Scott, T. Moore, Parker, Hoster, Carter, Ziegler, Johnson, Earl, Lee, Garrett. Third row—Dunlap, Sogard, Ransburg, Owens, Babcock, Krick, Montgomery, Hargitt, Peterman, Shirley, Bruce, Praed, Gelman, Godfrey.

This season Roy V. Aberson took over the coaching duties as Don Knight retired from the athletic ranks to give full time to guidance work. Mr. Aberson was assisted by Harold Negley and Thomas Haynes. They built their squad around three returning letter winners. These included Bob Gilchrist, Ronnie Smith, and Carl "Bud" Wilson. These three fellows led the team in twelve meets, opening with an indoor relay meet on the Indiana University track March 24 and ending with the state meet.

The Blue Devil cindermen went into their first meet of the 1949 season without the help of any returning lettermen, and dropped a 72-37 decision to Jefferson of Lafayette. The

Blues managed six first places, but lacked the necessary depth to cope with the strength of the host team. Bob Gilchrist was the only double winner of the day for Shortridge as he captured both hurdle events. Back at the 43rd Street oval the Knightmen edged Bloomington University in a dual encounter, 53½-51½. In this meet Dick Christy led the way with blue ribbons in both dashes. Soon after, the thinlies lost their final dual outing of the season, 55½-53½, at the hands of Manual.

Coach Knight awarded letters to Carl Wilson, Jerry Gould, Louis Huesmann, Frank Dailey, Bob Gilchrist, Russell Hughes, Ed Pattison, and Ronnie Smith.

First row—Manager Estabrook, Stout, Shoemaker, Schumacher, Eiler, Turner. Second row—Ralph, Baker, Barney, Klefeker, Falender. Third row—Manager Summerfield, Coach Steiner, Fleck, Davis, Glesing, Manager Evans, Kappes.

During the past season the Blue Devil batsmen played a rough schedule, highlighted by the City Tourney at Victory Field. Playing regularly on the diamond were lettermen Bill Ralph, Pete Kappes, Horace Turner, Joe Klefeker, Max Schumacher, and Kenny Eiler. Schumacher captained the crew throughout the season, from his second-base position. Kappes and Turner carried the brunt of the mound duties.

During the 1949 season Coach Jerry Steiner's crew came out on the good side of a 14-5 record. Kappes showed his stuff with a 7-2 mark, his only defeats coming from Ripple's city champions, while Turner's arm earned him a 5-2 reading. Outfielder-pitcher Freddy Davis won two and lost one.

With such power as this the Satans advanced to the final game of the city tournament, and Howe and Broad Ripple were the only teams to keep the Devils from a clean slate. Steiner's men conquered many squads who had held a margin on them in past seasons, defeating Washington twice, subduing Southport in nine innings, slipping by Manual and extending their victories over Tech to three straight. The Blues had an impressive fielding record of .922 which accounted for many of the wins. Varsity letters were awarded to Davis, Glesing, Stout, and Dick Fleck, who was chosen honorary captain.

Golfers Defend State Title. . .

Indianapolis Times Photo.

Balch, Burkholder, Coach Peterman, Goldberg, Kerr.

The Shortridge golfers found themselves defending the Indiana State Championship this season, after smashing the IHSAA record in walking off with the title in 1949. Coach Kenneth Peterman's charges of last year totaled 314 shots in winning the state tourney, and thereby broke the seventeen-year-old mark of 317 strokes held by Lafayette in 1932. Pete Burkholder led the foursome in shooting 73, while Bob Goldberg notched a 77, and Jim Balch and Bill Kerr shot 82. Each of the members of this quartet received letters for their achievement, and three of

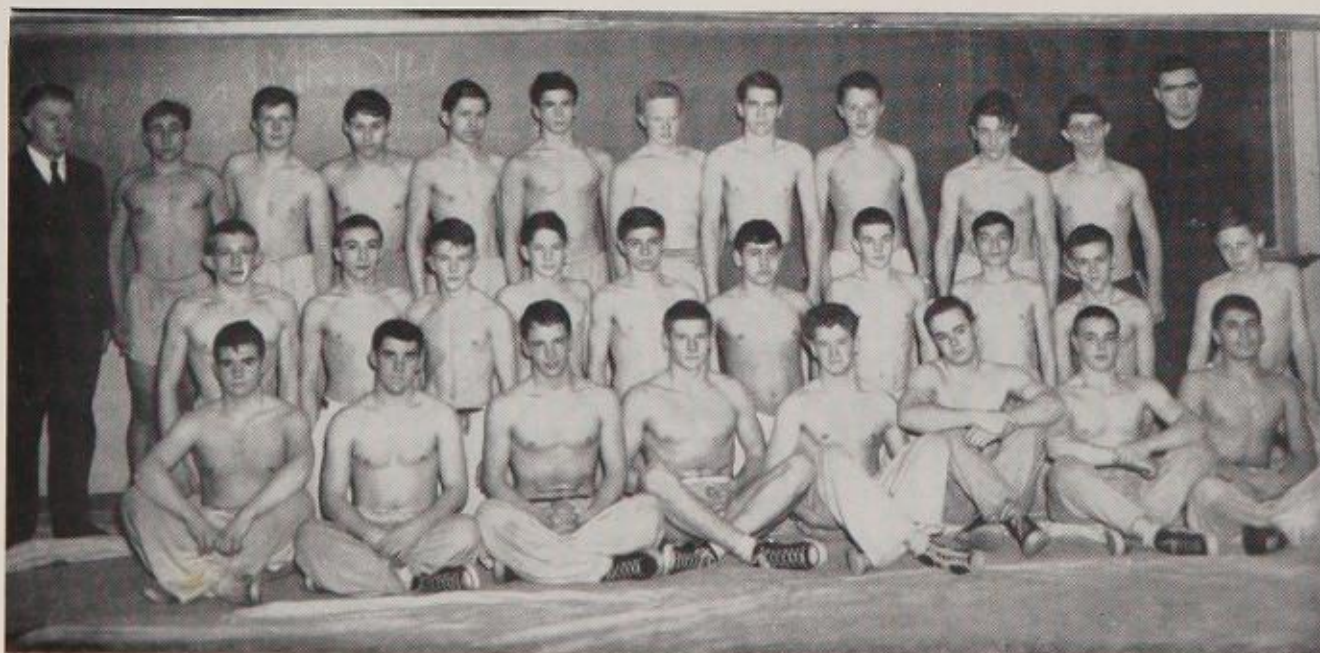

the letter winners formed the nucleus of this year's team. They were juniors Jim Balch and Pete Burkholder and sophomore Bill Kerr. The other man, Bob Goldberg, is now attending Miami University.

During the 1949 season the Blue Devil testers were victorious in all but two of their matches, losing both contests to Tech. The Greenclads then finished behind Shortridge and LaPorte to take third in the state meet. The trio of Balch, Burkholder, and Kerr will be back again to boost the Satan links hopes in 1951.

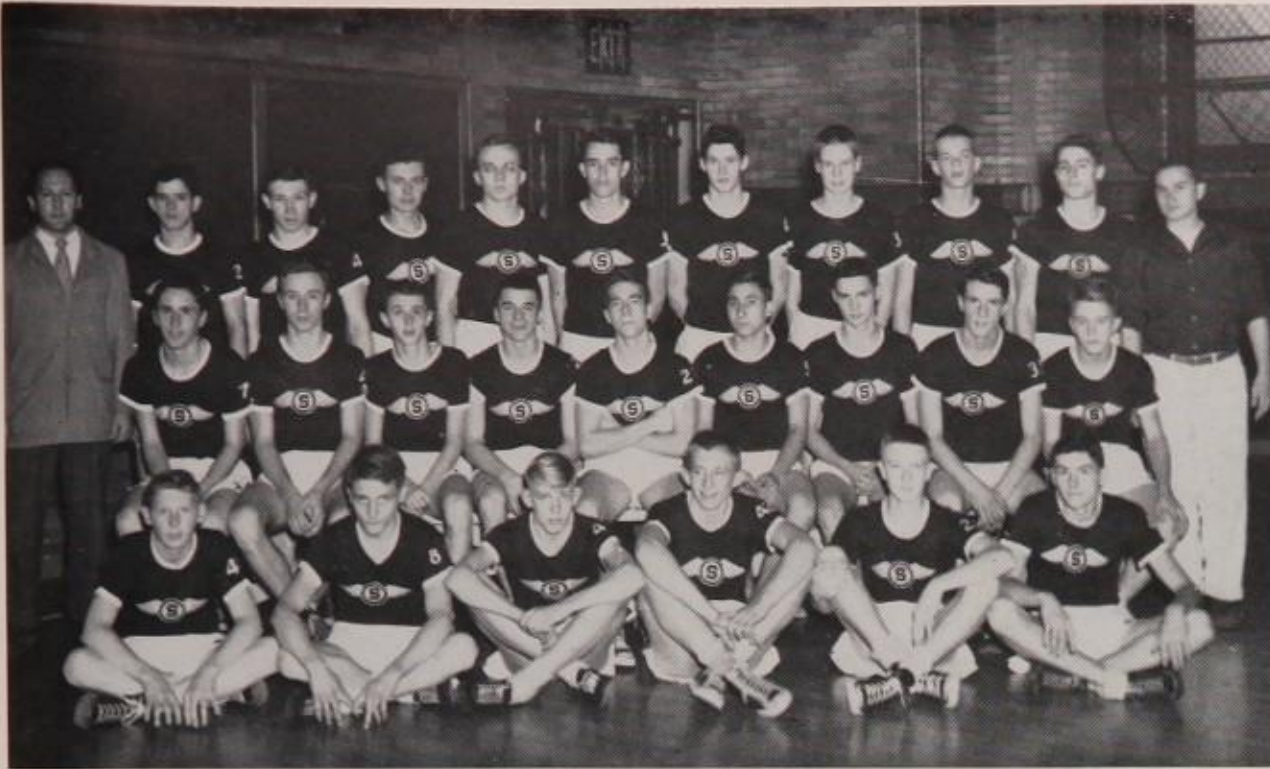

WRESTLING . . .

Wrestling continued its rise in importance as a Shortridge sport as a full schedule was completed and eight boys received major letters. Charles Babcock qualified to compete in the state meet.

Letter winners were Bill Arbaugh, Charles Babcock, Bill Bose, Denny Krick, Paul Gelman, Gene Packham, Ted Schurdell and Bill Shardelow. Joe Commiskey was awarded a manager's letter.

CROSS COUNTRY . . .

Coach Roy V. Aberson brought back a cross-country program to Shortridge after a year's lapse. Thirty-three boys reported for the first call, and many boys worked out and competed during the season. From this group of boys Coach Aberson found new material for his track squad, and developed cinder aspirants for the spring sport. Bud Wilson, veteran quarter-miler, led the team to most of its victories and hauled down first-place ribbons on some occasions.

TENNIS . . .

Four boys were back from last year's tennis team to bolster the strength of the '50 aggregation. They are Dick Supple and John Lauter, who saw varsity action last season, and Morty Tavel, Don Gordon, and John Raines who competed in reserve racquet competition in '49. The '49 outfit was Walter Geisler's last team, as H. H. Siemers took over the coaching reins this year.

Undisputed Champs—The Dodgers.

Up for "two."

Shortridge's intramural program grew larger and gained more importance this year as hundreds of boys participated in the activities. The highlight of the intramural season was the fabulous "Dodgers'" third consecutive basketball championship. They went through their

season without a loss. The wrestling tournament was again successful, with champions in each weight division receiving medals. Football, volleyball, tennis, and ping-pong were among the other sports held during the year.

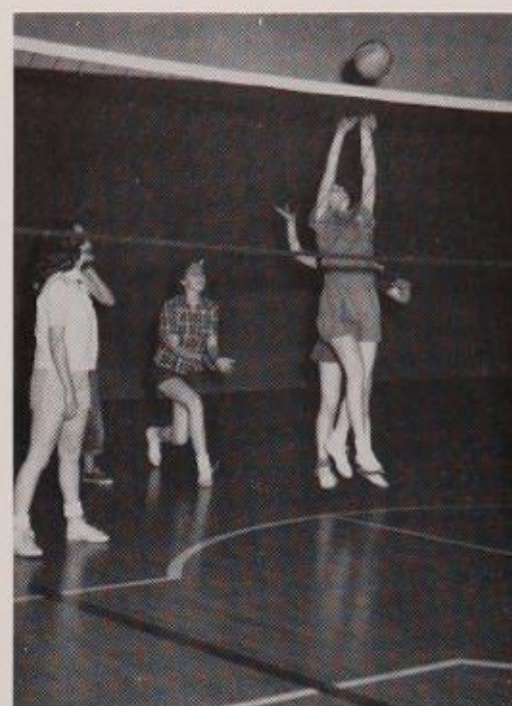

Girls' Sports . . .

This year the girls' intramural sports program began in September, with the chairmen for the various sports previously elected at a meeting of the Philateron Club. The purpose of this club is to provide an opportunity for the development of leadership and it is open to any girl who has earned 250 athletic points.

The first sport was soccer, with Janie Woods as chairman and Helen Patrick as referee. Next on the agenda was basketball with forty girls participating and Barbara Ramsay in charge. Forty girls also came out for deck tennis with Carol West as chairman. Other sports and chairmen for the year were second semester bowling, Sharon Holwerda; volleyball, Nancy Payne; baseball, Gretchen Heinke; and track, Catherine Christoff. Track includes softball far throw; standing and running broad jumps; basketball far throw, round arm and overhead; and sprints.

The girls participate in these activities on Tuesdays and Thursdays after school. Members of the winning teams who have been present 80% of the time are awarded felt emblems to represent that particular sport. Athletic points are also earned, and upon accumulation of 750 points numerals are awarded. A letter sweater is awarded after 1,000 points have been earned. Last year the girls who earned their sweaters were Lora Marlette and Lois Walker. This year sweaters were earned by Sharon Holwerda and Barbara Ramsay.
